

PREPARING FOR GRADUATE SCHOOL

DO YOUR RESEARCH!

- Start by visiting the Graduate Admissions website at uttyler.edu/graduate
- Become familiar with graduate programs by exploring the academic department's web site
- Speak to graduate advisors in the programs you are considering
- Decide on the program to which you will apply in your senior year

HOW TO APPLY

- Submit an application for admission at uttyler.edu/graduate
- The application fee is waived for all current UT Tyler students and alumni (a \$50 savings)
- Apply for the New Graduate Fellowship on the graduate school financial support page
- Fill out the FAFSA at FAFSA.gov to determine available funding

WHAT DOCUMENTS TO SEND

- Official transcripts for a 4-year bachelor's degree or a recognized comparable degree from an accredited university
 - Applicants who graduated from recognized academic institutions outside the US must also submit official TOEFL (or) PTE (or) IELTS score reports and may be required to submit an international transcript evaluation
- Official GRE scores
- Check with ogs@uttyler.edu or check the academic department website to see if other documents may be required by the program (SOP, Recommendation Letters, Resume, etc.)
