## Academic Calendar

### 2024-2025

This Academic Calendar lists official dates for academic sessions related to the School of Medicine for 2024 – 2025. Information on dates related to key Financial Aid dates, refunds, and specific final exam dates are hosted separately; see the links below.

- Refunds: <https://www.uttyler.edu/cashiers/refund/>
- Financial Aid: <https://www.uttyler.edu/financialaid/calendar/>
- Final Exams: <https://www.uttyler.edu/schedule/files/final-exam-schedule.pdf>

Expanded definitions and context are provided below for several key terms used within the Academic Calendar:

- **Census Date:**
  - This is the final date for many enrollment-related actions, including adding new courses, changing sections, or dropping courses without incurring grades of “W” or “Q”. Census is also the second drop for non-payment date each academic session. See the [Office of the Registrar website](#) for additional details.
- **Last day to withdraw from one or more courses:**
  - This is the final date students are eligible to withdraw from courses for grades of “W” or “Q”. After this date students can no longer formally drop/withdraw from courses and will receive grades based upon the work completed if they choose to discontinue attendance.

Certain important dates on the left-hand calendar portion are highlighted to indicate why they are significant to students and/or faculty and staff. The coloring of these highlights is explained below:

Color	Significance
Green	First day of an academic session
Yellow	Final day of an academic session
Red	Due dates and/or deadlines
Orange	University is closed or on skeleton workforce
Blue	General important dates, including first dates for enrollment or graduation applications

**Holiday Leave**

Employees appointed to work at least 20 hours per week for a period of at least 4.5 continuous months are eligible for holiday leave. Faculty must be appointed for at least 50% time for at least 4.5 continuous months to be eligible. Students employed in positions which require student status as a condition of employment, are not eligible for paid holiday leave.

The Texas legislature determines the number of holidays observed by all state agencies and institutions of higher education. The total number of holidays consists of various national and state holidays. Institutions of higher education are granted flexibility to establish their own schedules. The university observes the same number of holidays as other state agencies though the schedules may differ.

**Floating Holidays**

To align policies for all UT Tyler employees, four (4) floating holidays (32 hours) will be awarded for FY 2024-2025. These floating holidays may be used any time during the fiscal year, with department leader approval. Floating holidays that are not used on or before the end of the current fiscal year (August 31, 2025) will be forfeited. Floating holiday hours will not be paid when an employee leaves employment.

**Winter Break**

Winter break is observed between Monday, December 23, 2024, through Tuesday, December 31, 2024. Academic employees who wish to observe this break may use their floating holiday allotment during this time, with department leader approval.

**Religious Holidays**

It is the policy of UT Tyler to provide reasonable accommodation to employees who wish to observe a religious holiday that occurs on a day the University is scheduled to be open. Employees who wish to observe a religious holiday or holy day should refer to the policy.
