

POST-MASTER'S CERTIFICATE ADMINISTRATION

The Nursing Administration Certificate program prepares the master's-prepared nurse to apply leadership and management skills to become the essential link between the vision and mission of the larger health care organization and the unit-based system of patient care. Resource allocation expertise, using professional skills in assessing and analyzing health care needs in the practice setting, is developed.

This certificate program meets the education requirement for the American Nurses Credentialing Center's (ANCC) Nurse Executive Certification Eligibility.

PART-TIME DEGREE PLAN AND CURRICULUM

YEAR ONE	CREDIT HOURS
SEMESTER 1	3
NURS 5331 Leadership in Healthcare Environment	3
SEMESTER 2	3
NURS 5335 Legal, Regulatory, & Financial Management	3
SEMESTER 3	3
NURS 5337 Delivery of Care	3

- Courses must be taken sequentially.
- Total credit hours must equal at least 9.
- Consult with your advisor for additional information on degree requirements and schedule planning. This is only a recommended outline. Because degree requirements and course offerings do change, you should consult an advisor as well as the University Catalog, which is the only official document regarding master's degree requirements.
