V. Course Assignments

1. Module Assignments

Modules will open Sunday evenings at 11:59 p.m. Each module consists of an online lecture, reading assignment, quiz, and assignment for the week. There may also be discussion board items to complete. Module components must be completed by each Sunday at 11:59 p.m.

Assignment Submission:

For written assignments a “page” is defined as:

- 8½” x 11” paper
- Times New Roman or Arial 12-point font
- Double-spaced (unless otherwise directed)
- 1-inch margin on all sides.
- **Your name and course are NOT needed**
- Upload written assignments on the Canvas website under the assignment tab

2. Module Quizzes

Each module consists of a quiz over the readings for the week. These quizzes are used to assess your understanding of the content taught during the module.

3. Comprehensive Final Exam

As each weekly module will include a test of material covered that week, the only formal test will be a comprehensive final examination. The final may consist of both objective and essay questions. The test will assess information as outlined on the class schedule and measure your understanding and comprehension and ability to relay information or take a position, as well as your ability to apply the course content in classroom situations.

4. Project

Each student will complete a project, which entails an aspect of behavior disorders.

VI. Teaching Strategies

It is expected that this class will function in a graduate seminar format. While the instructor will provide some lecture, emphasis will be on in-class discussion, presentation, assignments and case study analysis that contributes to class discussions.

The following instructional strategies will be employed during this class:

- Lecture, multimedia, and simulations

- Demonstration and case studies
- Written assignments
- Examinations

VII. Code of Conduct

Please see section 2.09 of the University of Texas at Tyler Handbook of Operating Procedures for specific information about expectations related to student conduct. It is the responsibility of the student to bring to the instructor's attention any question, misunderstanding, or confusions he/she has concerning classroom policy or course requirements BEFORE an adverse effect on the student's grade results.

VIII. Course Policies

Make-Up Work. There will be NO make/up activities or exams for this course unless absence is due to an emergency. Students are expected to submit relevant documentation (e.g. doctor's note) when requesting a make/up activity.

Written Assignments. Written assignments must be typed using double spaced lines and have page numbers. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores. Assignments should be typed in Times New Roman with 12-point font.

- a. **Plagiarism.** Students need to use their own words when completing all assignments. A zero will be given for any assignment that is detected as being plagiarized. Students are subjected to a disposition or a failing grade in the course.

TurnItIn is a tool that will be used to check a document for plagiarism. The tool provides feedback as to whether or not the text in a document is a close match with other documents on the Internet, in journal databases, and submitted to Canvas. If a student is caught plagiarizing, a grade of zero will be given as well as a disposition for cheating. Once you submit an assignment, you will get a report where you can see plagiarism detection and grammatical errors.

Late Assignments. It is expected that assignments be turned in on time. An assignment will be considered late if it is not turned in on the day it is due. If you do not have a working computer, you need to make arrangements to use the campus computers. Assignments should be submitted in the assignment folder on Canvas even if you are not in class. **Late assignments are not accepted unless prior arrangements have been made with the instructor 24 hours in advance.** Assignments and due dates are posted on the course syllabus.

Academic Dishonesty. To be successful in this class, you must invest time for study. Honesty is expected. Academic dishonesty (e.g., cheating, plagiarism, collusion) will NOT be tolerated and will result in a grade of zero (0) for the assignment. A second infraction will result in automatic failure of the class. Dishonesty is defined as (a) the use

of unauthorized materials, (b) any communication with peers during quizzes, (c) representing another's work as one's own (i.e. plagiarism), or (d) fabricating information. The professor reserves the right to determine occurrences of cheating. Additional information on Academic Dishonesty is found in the Selected University Policies section of this syllabus.

Canvas. Students will access class notes, assignments, grades, and course information through Canvas 8. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts. Please refer to <http://www.Canvas.uttyler.edu> for more information.

Person First Language. Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. Degrading terminology will not be tolerated. In this class we will strive to use "people first" language at all times. "People First" language always refers to the person first and not as a label or a category. For example, refer to "a student with autism" and not "an autistic".

Teacher Candidate Dispositions. The University of Texas at Tyler School of Education has developed Teacher Candidate Disposition Assessment outlining professional behaviors educators are expected to demonstrate in their interactions with students, families, colleagues and communities. The process assumptions, dispositions to be assessed, and examples of deficiencies within each disposition assessment categories are available at the UT-Tyler School of Education website: www.uttyler.edu/education (access School of Education; School of Education Disposition Assessment). It is expected that all students enrolled in this course will adhere to and demonstrate these teacher candidate dispositions at all times.

Safe Zone. The professor considers this classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider the classroom a safe environment.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (Stewart Hall 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- ☑ Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- ☑ Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

SCHOOL OF EDUCATION PROGRAM STANDARDS

The School of Education has adopted program standards that guide the development of teacher candidates in their understanding of the complexity of teaching. These standards are based on those developed by the Interstate New Teacher Assessment and Support Consortium (InTASC) and shared by other accredited universities in Texas and across the United States. The Standards are broad understandings and practices gained throughout the program using a constructivist model in which new learnings are assimilated and attached to prior

understandings, thus, over time, building a mental structure (schema) of educational concepts.

Standard #1: Learner Development (students in general)

The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.

Texas Teacher Practice Standards: 1.2, 2.1, 2.2, 2.3, 4.1

Standard #2: Learning Differences (individual students)

The teacher uses understanding of individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.

Texas Teacher Practice Standards: 1.3, 2.1, 2.2, 2.3, 4.1

Texas Teacher Practice Standards: 1.2, 1.5, 1.6, 3.1, 3.2, 3.3, 5.2

Standard #5: Application of Content

Texas Teacher Practice Standards: 1.6, 5.1, 5.2, 5.3, 5.4, 6.2

Standard #7: Planning for Instruction

learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners and the community context.

Texas Teacher Practice Standards: 1.1, 1.2, 1.3, 5.1, 5.3, 5.4

Standard #8: Instructional Strategies

The teacher understands and uses a variety of instructional strategies to encourage learners to develop deep understanding of content areas and their connections, and to build skills to apply knowledge in meaningful ways.

Texas Teacher Practice Standards: 1.4, 1.5, 1.6, 5.4

Standard #9: Professional Learning and Ethical Practice

The teacher engages in ongoing professional learning and uses evidence to continually evaluate his/her practice, particularly the effects of his/her choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner.
