B. Catalog Description. A study of the specific reading needs of children in the pre-school and primary grades. Areas to be stressed include the interactive reading model, emerging literacy, essential knowledge and skills, lesson planning, literature-based and basal reading materials.

C. Knowledge Base(s) This course is designed to help beginning teachers build foundational knowledge relative to literacy assessment and instruction beginning with early childhood and continuing through upper elementary grades. Students learn key concepts, tools and strategies for identifying students' strengths and needs using formal and informal assessment measures and strategies, and for designing instruction to address identified literacy needs. Clinical or field experiences required. Course content incorporates the following standards for the preparation of reading professionals:

- *International Literacy Association* standards for the preparation of Pre-K and elementary teacher candidates (ILA, 2010);
- *Association for Childhood Education International* standards for the preparation of early childhood educators with a focus on the standards for reading, writing, and oral language development ACEI, 2007);
- *Texas State Board for Educator Certification* standards for the preparation of English Language Arts and Reading Generalist EC-6 teacher candidates (Texas State Board for Educator Certification, 2016);

- *Texas Educator Standards* (Title 19: Chapter 149, Subchapter AA, Rule: 149.1001), which identify performance standards to be used to inform the training, appraisal, and professional development of teachers.
- *Interstate Teacher Assessment & Support Consortium* 10 core teaching standards, which articulate what effective teaching and learning looks like in a transformed public education system (INTASC, 2011).
- *Reading Domains & Competencies*:
 Domain I. Reading Pedagogy – Competencies 001-002
 Domain II. Reading Development: Foundational Skills - Competencies 003-008
 Domain III. Reading Development: Comprehension- Competencies 009-012
 Domain IV. Analysis and Response- Competency 013
 Please refer to a detailed list of competencies after the bibliography of this syllabus.

D. Student Learning Outcomes

Upon successful completion of the requirements of this course, teacher candidates will have opportunities to:

1. Develop foundational knowledge of the development of literacy in young children, beginning from birth and continuing into the upper elementary grades.
2. Explore an understanding of literacy development theories, research, and effective instructional practices, and how they can be used to inform and promote reading, writing, and oral language development in young children.
3. Apply the knowledge gained about the development of literacy in young children to develop, implement, and evaluate literacy instruction in EC-6 settings.
4. Develop a ready understanding of multiple key English Language Arts Terms & vocabulary from the International Literacy Association. Learning these key terms is essential for students to be prepared to teach phonics, phonemic awareness, and literacy, (House Bill 3) and to improve scores on the Texas state content tests for certification.

Engagement: *Students enrolled in this course will be given multiple opportunities to collaborate with peers in class to reinforce the readings and lectures.*

Guest Speakers are scheduled to add depth to the lectures.

Students are encouraged to participate in research opportunities based on research questions that develop in the class.

Group study sessions are offered throughout the semester by Dr. Neel to help students master ELAR Content for the state content test.

Class celebrations will also be scheduled on campus, to celebrate student successes.

Performance Standards

Points	Percent	Grade	Standard
90-100	90%	A	Superior
80-89	80%	B	Above Average
70-79	70%	C	Average
60-69	60%	D	Below Average
00-59	59% or Below	F	Mediocre

G. Required Texts and Materials

Course Textbooks: *Please NOTE: Three of the textbooks for this course, The Literacy Continuum, Reading Strategies, and Writing Strategies, are also required in READ 4320 and READ 4326. This is strategic to help you build a strong foundational knowledge of literacy strategies with practical applications. This also save you money since the books are resources you will use repeatedly. It is recommended you purchase rather than rent these texts since they are valuable resources for your future classroom.*

H. Topical Outline & Schedule. The following course calendar is subject to change due to the nature of the course, which emphasizes wide reading, reflection, and critical inquiry. Adjustments to class sessions and modules will be made as needed.

Topical Outline: Attached at end of this document.

Course Policies:

- **Attendance.** Your attendance and participation are important and required to do well in this course. Students are expected to come to class and be well prepared to engage in scholarly discussion on the day's scheduled subject matter. A student will not be able to do well in the class without prompt and regular attendance. Class attendance and participation is expected. Arriving late or leaving early is considered an absence. If you are absent on the day an assignment is due, you are still expected to submit the assignment on time (e.g., via email or through another student). Points will be deducted from the final grade due to absences. Students will not be penalized for religious holidays (see policy below). Absences will be treated as follows:

1 Absence = No Point Loss

2 Absences = 10 Point Deduction* **Must schedule conference after 2nd absence**

3 Absences = 25 Point Deduction

4 Absences = 40 Point Deduction

- **Make/Up exam.** There will be NO make/up activities or exams for this course unless absence is due to an emergency. Students are expected to submit relevant documentation (e.g. doctor's note, funeral notice, tow-truck receipt, etc.) when requesting a make/up activity.
- **Written Assignments.** Written assignments **MUST** be typed using **double spaced lines and have page numbers**. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores. **Type assignments in an easily-readable 12 point (e.g. Times New Roman, Helvetica, Tahoma)**
- **Late Assignments** (turning in after due date) Assignments are due at the beginning of class. **Assignments that are one day late will be lowered 20%. Papers that are two days late will be lowered 50%. No assignments will be accepted after 48 hours unless arrangements have been made with the instructor.**
- **Academic Dishonesty.** To be successful in this class, you must invest time for study. Honesty is expected. Academic dishonesty (cheating, plagiarism, collusion) will NOT be tolerated and will result in a grade of zero (0) for the assignment. A second infraction will result in automatic failure of the class. Dishonesty is defined as (i) the use of unauthorized materials, (ii) any communication with peers during quizzes, (iii) representing another's work as one's own (i.e. plagiarism) or (iv) fabricating information. The professor reserves the right to determine occurrences of cheating. Additional information on Academic Dishonesty is found in the Selected University Policies section of this syllabi.

- **Canvas:** Students will access class notes, assignments, grades and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts.
- **Cell Phone / Pager / PDA / Blackberry usage:** Cell phones, pagers, etc., are not to be used during class. Turn such devices off or on vibrate and do NOT access them during class. The use of cell phone or other electronic communication devices during exams is prohibited. **Text messaging should be done before or after class!**
- **Person First Language:** Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. Degrading terminology will not be tolerated. In this class we will strive to use “people first” language at all times. For example, refer to “a student with autism” and not “an autistic”.
- **Teacher Candidate Dispositions.** The University of Texas at Tyler School of Education has developed **Teacher Candidate Disposition Assessment** outlining professional behaviors educators are expected to demonstrate in their interactions with students, families, colleagues and communities. The process assumptions, dispositions to be assessed, and examples of deficiencies within each disposition assessment categories are available at the UT-Tyler School of Education website: www.uttyler.edu/education (access School of Education; School of Education Disposition Assessment). It is expected that all students enrolled in READ 4366 will adhere to and demonstrate these teacher candidate dispositions at all times.
- **Safe Zone**
The professor considers this classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider the classroom a safe environment.
