**Course Evaluation and Grading**

The assignments and projects outlined below are designed to contribute in a different, yet complimentary way in achieving the stated learning outcomes.

**Class Participation** (20 points or 20% of course grade). Throughout the semester, you will be expected to attend every class, complete assigned readings, and engage actively in class discussions and related activities. Your contribution to assigned class work is an important part of the course grade and an important component of your growth as a classroom teacher. The following criteria will be used to evaluate your class participation and engagement.

- 0-10 points = Low level of participation and engagement
- 11-15 points = Moderate level of participation and engagement
- 16-20 points = High level of participation and engagement

**Texas Educator Standard 1.a.i-ii**

**Quizzes** (40 points or 40% of course grade). There will be four scheduled quizzes (10 points each or 10% of course grade) throughout the semester. Quizzes will cover material addressed in lectures, discussions, and assigned readings. The content of quizzes, which will consist of a mix of objective and/ or constructed response answers, is designed to probe your level of preparedness in understanding and using knowledge gained throughout the course to promote and support students’ literacy development in EC-6 classroom settings.

**Evaluation and Grading Guidelines and Criteria:** All written work should be typed (using a 12 pt. New Times Roman font, with one-inch margins, & page numbers). Properly labeled, and carefully proofread and edited. The criteria for determining your final course grade are outlined below. Course grades will be determined based on percentage.

### Assessment: Portfolios

Grading based on a collection of evidence that demonstrates mastery, comprehension, application, and synthesis of a given set of learning objectives. Students must prepare a high-quality portfolio and effectively communicate what they have learned through reflection.

#### Three Rationales integrated into the WIX Electronic Portfolio:

- Growth: Show growth or change over time, help identify strengths and weaknesses, and can help students with self-reflection and goal setting.
- Showcase Work: students to prepare a sample of their best work to share with others.
- Evaluation: Document progress toward standards for grading purposes.

#### Student Learning Outcomes for the WIX Electronic Portfolio:

- Students will be assessed on their ability to organize, synthesize, and clearly describe their achievements.
- Students will complete varied types of assignments, respond to feedback, and revise their work.
- Students be evaluated on the progress they make in a course throughout the semester.
- Dialogue and collaborative conversations will take place throughout the semester. The professor will encourage students to analyze, monitor, and update the professional electronic portfolio.

In this assignment, you will have an opportunity to gain knowledge, skills, and experience in (a) using data-based decision-making techniques and procedures to gather, analyze, make sense of various types of literacy assessment data to identify students' strengths and needs, and (b) using information gained to design, implement, and evaluate literacy instruction for an individual and/or group of students in EC-6 grades. You will also learn how to adapt instruction for an individual student, a small group of students, or a whole classroom. More details about this project along with guidance will be provided throughout the course.

***Texas Education Standards (1) Standard 1: Instructional Planning and Delivery. Teachers demonstrate their understanding of instructional planning and delivery by providing standards-based, data-driven, differentiated instruction that engages***

More details about this project along with guidance will be provided throughout the course.

*Texas Educator Standards (C) Teachers design lessons to meet the needs of diverse learners, adapting methods when appropriate. #### Course Policies:

- Attendance.** Your attendance and participation are important and required to do well in this course. Students are expected to come to class and be well prepared to engage in scholarly discussion on the day's scheduled subject matter. A student will not be able to do well in the class without prompt and regular attendance. Class attendance and participation is expected. Arriving late or leaving early is considered an absence. If you are absent on the day an assignment is due, you are still expected to submit the assignment on time (e.g., via email or through another student). Points will be deducted from the final grade due to absences. Students will not be penalized for religious holidays (see policy below). Absences will be treated as follows:

1 Absence = No Point Loss

2 Absences = 10 Point Deduction\* **Must schedule conference after 2<sup>nd</sup> absence**

3 Absences = 25 Point Deduction

4 Absences = 40 Point Deduction

- Make/Up exam.** There will be NO make/up activities or exams for this course unless absence is due to an emergency. Students are expected to submit relevant documentation ( e.g. doctor's note, funeral notice, tow-truck receipt, etc.) when requesting a make/up activity.

- Written Assignments.** Written assignments MUST be typed using **double spaced lines and have page numbers**. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores. **Type assignments in an easily-readable 12 point (e.g. Times New Roman, Helvetica, Tahoma)**

**Late Assignments** (turning in after due date) Assignments are due at the beginning of class. **Assignments that are one day late will be lowered 20%. Papers that are two days late will be lowered 50%. No assignments will be accepted after 48 hours unless arrangements have been made with the instructor.**

- **Academic Dishonesty.** To be successful in this class, you must invest time for study. Honesty is expected. Academic dishonesty (cheating, plagiarism, collusion) will NOT be tolerated and will result in a grade of zero (0) for the assignment. A second infraction will result in automatic failure of the class. Dishonesty is defined as (i) the use of unauthorized materials, (ii) any communication with peers during quizzes, (iii) representing another's work as one's own (i.e. plagiarism) or (iv) fabricating information. The professor reserves the right to determine occurrences of cheating. Additional information on Academic Dishonesty is found in the Selected University Policies section of this syllabi.
  
- **Canvas:** Students will access class notes, assignments, grades and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts.
  
- **Cell Phone / Pager / PDA / Blackberry usage:** Cell phones, pagers, etc., are not to be used during class. Turn such devices off or on vibrate and do NOT access them during class. The use of cell phone or other electronic communication devices during exams is prohibited. *Text messaging should be done before or after class!*
  
- **Person First Language:** Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. Degrading terminology will not be tolerated. In this class we will strive to use "people first" language at all times. "People First" language always refers to the person first and not as a label or a category. For example, refer to "a student with autism" and not "an autistic".
  
- **Teacher Candidate Dispositions.** The University of Texas at Tyler School of Education has developed **Teacher Candidate Disposition Assessment** outlining professional behaviors educators are expected to demonstrate in their interactions with students, families, colleagues and communities. The process assumptions, dispositions to be assessed, and examples of deficiencies within each disposition assessment categories are available at the UT-Tyler School of Education website: [www.uttyler.edu/education](http://www.uttyler.edu/education) (access School of Education; School of Education Disposition Assessment). It is expected that all students enrolled in EDSP 4269 will adhere to and demonstrate these teacher candidate dispositions at all times.

### **Safe Zone**

The professor considers this classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that ALL students consider the classroom a safe environment.
