NURS 5373 Integ. Mental Health Capstone <i>(125 Clinical Hours**)</i>	3

- **Preceptors needed.
- Transfer credits subject to approval. The following courses must be taken before taking PMHNP courses if transfer credit is not approved:
 - NURS 5350 Advanced Pathophysiology
 - NURS 5352 Advanced Health Assessment
 - NURS 5354 Advanced Pharmacotherapeutics
- Total credit hours must equal at least 34.
- Courses must be taken sequentially.
- Consult with your advisor for additional information on degree requirements and schedule planning. This is only a recommended outline. Because degree requirements and course offerings do change, you should consult an advisor as well as the University Catalog, which is the only official document regarding master's degree requirements.
- **All costs are subject to change and do not include the additional cost of books and materials. For cost estimates, please refer to the Graduate School Tuition and Fee Calculator:**
