Course Policies

Attendance Policy: Please be on time for class. If you know you are going to be late or absence for/from class, please notify the professor ahead of time. Students with more than three absences are required to complete extra work to make up for the missing oral language participation in class. If you are unable to complete this course, you must withdraw by **November 4th**.

Being in class on time is very important. (arriving late and leaving the classroom early will have negative consequences in your final grade). For students who miss more than six class periods, your participation grade will automatically be reduced to 70%. No exceptions! In Addition, those students will lose the right to complete the extra-credit assignment for makeup work.

It is very important that you arrive at class on time. No exceptions! Those tardies greater than twenty minutes will be penalized. If you accumulate three tardies in a six-day period, those will count as one absence. Same thing if you leave the classroom more than twenty minutes early. After three times you have left the classroom more than twenty minutes before the class ends, in a six-day period, that will count as an absence as well. Since this is a language course, active participation in listening and speaking is vital, and you must be in the classroom for the whole time that has been established by the educational institution.

COURSE REQUIREMENTS

Check “Grades” in Canvas regularly for your grades. If you have questions about any grade, get in contact with me immediately. You can check your grades and see what you missed on tests after the due date inside CONNECT.

CONNECT ASSIGNMENTS

CONNECT is where the digital textbook (online exercises and adaptive learning), and all the assignments are located. This semester we will cover Chapters 1 through 7. There will be a final comprehensive exam from all the chapters very similar to the tests of each chapter. **It is embedded in the test for chapter 7.**

You are allowed to work on CONNECT EXERCISES as many times as you like. You receive a completion grade. If you have any technical problem, please let **Connect McGraw-Hill** know about it (every section allows you to do this).

NOTE: If you decide to use the 15-day grace period from McGraw-Hill, please make sure to use the same email address when you buy CONNECT. If you do not use the same email, then everything that you may have done in CONNECT will not transfer to CANVAS.

NOTE: All CONNECT EXERCISES are due on the due date, which is the night before we take the exam during the regular class time. Assignments will be graded via McGraw Hill and grades will show in both CANVAS and CONNECT.

CONNECT TESTS

There will be 7 tests for the material covered in CONNECT. The CONNECT tests are in CANVAS. Exams cannot be made up or dropped. **No make-up. If for medical or emergency reasons you cannot take a test, I will count the next test twice (I do this only once in the semester). If you miss two or more tests they will count as zeros.**

You will take the chapters' exams in the classroom. Only students with some specific accommodation will be allowed to test at the testing center. If you access an exam and then close your browser or abandon the exam without submitting the answers, you will get a zero for that exam and you will not be able to retake it. **YOU MUST NOT ACCESS ANY EXAM MORE THAN ONCE UNDER ANY CIRCUMSTANCES**, unless there is a technical issue with the McGraw-Hill Connect platform.

You are expected to complete all the exams without using the textbook or assistance from anybody or from any source. Scholastic dishonesty is an unacceptable mode of conduct. Cheating on an exam in this course will be dealt with according to university policy on scholastic dishonesty. **All the exams are timed.**

These tests cover the material presented in CONNECT (textbook and exercises). They must be taken as scheduled (**no exceptions**).

Note: You will have access to see the Feedback of your exams after the due date.

There will be two oral exams. You will be graded on pronunciation, accuracy, grammar, speed, and pacing.

CLASS PARTICIPATION

Active class participation is essential in a course whose main objective is language practice. Good class participation requires regular attendance, and actual involvement in all class activities and assignments. **To obtain a good grade under participation you must turn in ALL homework on time and participate in the oral language activities in the classroom.** Please try to avoid personal English conversations during class.

FINAL EXAM

The final exam will be comprehensive from all the seven chapters. It will be embedded in the test for chapter seven. The questions are very similar to the questions from previous chapters.

EMAIL REPLY POLICY: I will attempt to reply to any e-mail message(s) within 24 hours. I will contact you via email whenever I need to address the entire class. It is expected you check your emails regularly.

University Policies and Information

- Withdrawing from Class** - Students, you are allowed to [withdraw](#) (drop) from this course through the [Withdrawal Portal](#). Withdrawing from classes can impact Financial Aid, Scholarships, Veteran Benefits, Exemptions, Waivers, International Student Status, housing, and degree progress. Please read this page, speak with your instructors, consider your options, and speak with your instructor. UT Tyler faculty and staff are here for our students and often can provide additional support options or student assistance. Please read the implications for withdrawing from a course and the instructions on using the Withdrawal portal on the [Registrar's Withdrawal page](#).

Texas law prohibits students who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at other 2-year or 4-year Texas public colleges and universities. Consider the impact withdrawing from this class has on your academic progress and other areas, such as financial implications. We encourage you to consult your advisor(s) and financial aid for additional guidance. CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the [Tuition and Fee Refund Schedule](#). CAUTION #2: All international students must check with the [Office of International Programs](#) before withdrawing. All international students are required to enroll full-time for fall and spring terms. CAUTION #3: All UT Tyler Athletes must check with the Athletic Academic Coordinator before withdrawing from a course. CAUTION #4: All veterans or military-affiliated students should consult with the [Military and Veterans Success Center](#).
- Final Exam Policy:** Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the Dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members must maintain student final examination papers for a minimum of three months following the examination date.
- Incomplete Grade Policy:** If a student, because of extenuating circumstances, is unable to complete all of the requirements for a course by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in place of a grade only when all of the following conditions are met: (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all coursework or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor, and (c) the student presents these reasons before the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average.

The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must

not exceed one year. Should the student fail to meet all of the work for the course within the time limit, then the instructor may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has yet to be assigned within one year, then the Incomplete will be changed to an F, or NC. If the course was initially taken under the CR/NC grading basis, this may adversely affect the student's academic standing.

- **Grade Appeal Policy:** - Disputes regarding grades must be initiated within sixty (60) days from the date of receiving the final course grade by filing a Grade Appeal Form with the instructor who assigned the grade; this is separate from the Application for Appeal form submitted to the Student Appeals Committee, which does not rule on grade disputes as described in this policy. If the student is not satisfied with the decision, the student may appeal in writing to the Chairperson of the department from which the grade was issued. In situations where there is an allegation of capricious grading, discrimination, or unlawful actions, appeals may go beyond the Chairperson to the Dean of the college from which the grade was issued, with that decision being final. The Grade Appeal form is found in the [Registrar's Form Library](#).
- **Disability/Accessibility Services:** In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA), the University of Texas at Tyler offers accommodations to students with learning, physical, and/or psychological disabilities. If you are a student who is a veteran, on active duty, in the reserves or National Guard, or a military spouse or dependent, please stay in contact with your faculty member if any aspect of your present or prior service or family situation makes it difficult for you to fulfill the requirements of a course or creates disruption in your academic progress. It is important to make your faculty member aware of any complications as far in advance as possible. Your faculty member is willing to work with you and, if needed, put you in contact with university staff who are trained to assist you.
