Assignments

1. **Reading Quizzes:** There are seven quizzes. One quiz for each week. The weekly quizzes are based on the required reading and videos for that week’s module. All quizzes are completed on Canvas. Questions may include T/F, multiple-choice and/or short answer.
2. **Case Study Analysis:** Three case study assignments are required. Several cases are included at the end of each chapter in the Johnson textbook. Students will select one case and post a reflection and analysis of the case study. In doing so, students will make connections with material in the textbook and present their own point of view. Each case study analysis will be posted to Canvas. To complete this assignment students must:
 - a. Write at least 400-500 words. Word counts must be included at the bottom of your post.
 - b. Commentary and analysis only – no summary of the case. However, student’s may use Johnson’s discussion questions to launch their own critical inquiry.
 - c. Clear connections made with textbook must be made.
 - d. Include parenthetical citations, e.g. (Johnson 2021, 165).
 - e. Comment on, reply to, engage with, at least two of your peer’s case studies.
3. **Self-Assessment Assignments:** Three are completed during the term and uploaded to Canvas. More information is available on Canvas about these assignments.
4. **Leadership Paper:** One term paper is submitted at the end of the course. Students will research a famous (or infamous) leader and analyze their virtues and/or vices. This is not just a biography. This is a character analysis that explores a leader’s moral choices and character traits, making connections with material in the course. More information about this assignment will be posted on Canvas.

Course Policies

1. Plagiarism policy: “Plagiarism” is passing off someone else’s work as your own. This includes the work of your classmates, as well as ideas you might find in books or on the Internet. Consulting outside sources is admirable. Copying and pasting language from outside sources without noting them as a source and/or failing to place direct quotes within “quote marks” is not admirable, and will earn you a zero for the assignment, and/or an F for the course.
2. Late work policy: assignments must be completed on Canvas by the deadline. No late assignments will be accepted. So, no make-up assignments, quizzes or papers are permitted. Please, do not ask. This policy will be waived only under extraordinary circumstances (e.g. a serious illness accompanied by a doctor’s note).
3. Technology policy: We've all experienced this, you are rushing to finish an assignment that is due in an hour and your computer crashes, or you accidentally delete a nearly finished assignment, or the power or the internet went out while you are taking a test, or your cat walks over your keyboard and accidentally submits your quiz when you are not finished.... It's devastating. I know. I've been there. These incident, as unfortunate as they sound, are NOT acceptable excuses to extend a deadline. It is your responsibility as a diligent student to

manage your time, plan and make sure that you do not miss deadlines. A responsible student avoids cramming. (Full disclosure here: I am also a crammer and my mind works better when I have a looming deadline over my head, but this still will not excuse my action should I have technical problems.) Always communicate ahead of time with your professor if unforeseen technological issues impact your ability to complete assignments. However, please do not harass or berate your professor, when hours or minutes before a deadline you have technological issues. Remember: A lack of preparation on your part does not constitute an emergency on mine. Should you have technological issues before a deadline, take action right away! I am not an IT expert. So, please do not contact me about technology issues. Contact tech support by phone at 903.565.5555 or email at itsupport@uttyler.edu.

4. Communication policy: The best way to communicate with the instructor outside of class is through Canvas e-mail or during office hours. Students can expect replies within 48 hours excluding weekends and holidays. Students who do not receive a reply within this timeframe should attempt to contact the instructor again.
5. Participation policy: Students are expected to be active in the learning management system (Canvas) by logging into the course regularly, contributing to the discussion forums and discussing material with their peers.
6. Extra credit policy: Extra credit may be offered by the instructor from time to time, but extra credit is not given on demand or by request. Students do not have a right to it; for example, the instructor is not obligated to provide extra credit opportunities that work with a student's schedule or as make-up for a missed opportunity.
7. Final grade policy: Grades are final once the final grade percentage has been posted in Canvas at the end of the semester. No changes will be made unless the instructor has made a mistake. Grades are not bumped up unless the student is within .5% of the next letter grade. For example, an 89.5% is an A. An 89.4% is a B.

For more information on cessation programs please visit www.uttyler.edu/tobacco-free
4. Grade Replacement/Forgiveness and Census Date Policies Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to

file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include: • Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit. • Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date) • Schedule adjustments (section changes, adding a new class, dropping without a “W” grade) • Being reinstated or re-enrolled in classes after being dropped for non-payment • Completing the process for tuition exemptions or waivers through Financial Aid.

5. **State-Mandated Course Drop Policy** Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
6. **Student Absence due to Religious Observance** Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester. **Student Absence for University-Sponsored Events and Activities Revised 01/18** If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.
7. **Social Security and FERPA Statement** It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.
8. **Emergency Exits and Evacuation** Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class.

Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
