Course Objectives

-To master basic technical concepts for the guitar, including, but not limited to sitting position, right and left hand motion, action, and dexterity, synchronization of the hands, finger independence, slurs, scales, arpeggios, preparation techniques for both hands, strumming, rasgueado, and harmonics, both natural and artificial.

-To more proficiently, fluently, and quickly read and sight-read music for the guitar.

-To incorporate the following into practice and preparation

- 120 Giuliani Right Hand Studies

- Segovia Scales and various scales and modes

- Solfege exercises that reinforce an understanding of functionality in preparation for singing your repertoire

-To prepare pieces of music for performance that both challenge you and enhance your technical and musical ability

Weekly Lesson Grades

Weekly lesson grades will count for 70% of the final grade and will be calculated as follows: Flipgrid Repertoire assignment – 40%, Flipgrid Technique Assignment – 30%, In-Lesson Performance and Preparation – 30%

Flipgrid Assignments

Video recordings submitted to the website Flipgrid will be used as a tool for keeping each student accountable for weekly musical and technical assignments. You will be instructed to learn and record a section of repertoire, etude, or technical exercise, and must submit the recording before your next lesson unless otherwise instructed.

How to use flipgrid:

- Go to flipgrid.com
- Select the Microsoft Login option
- Log in using your uttyler.edu
- Your flipcode is your first and last name with no spaces

In-Lesson Playing and Preparation

Each week, you will be given a set of tasks to complete involving your repertoire, including the pieces you are currently learning, etudes, and technical exercises. You will be evaluated on these assignments in lessons, with your grade depending on how prepared you are for each. These could be marking fingerings, performing excerpts, using practice strategies for excerpts, or any number of other assignments.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for many forms and enrollment actions of which students need to be aware.

These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Emergency Exits and Evacuation

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor’s directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
