Grade Description

A	The student has excelled in all areas of study. He or she performs exceptionally well in studio class and in juries, incorporating all elements of voice study that have been a focus during voice lessons. He or she has thoroughly maintained a portfolio to the printed standard and has shown development in his or her artistic sensibility throughout the semester by meeting the short- and long-term goals. His or her attendance was unblemished.
B	The student met most of the short- and long-term goals established at the beginning of the semester and prepared the appropriate number of songs for juries. His or her portfolio was mostly complete, but lacked a sense of artistic growth throughout the semester. The student's attendance was good, but not ideal.
C	The student met few of the goals agreed upon at the beginning of the semester. He or she did not prepare the required number of pieces for juries. He or she was missing large portions of the portfolio, and its completion was haphazard. Attendance was far below average.
D	The student performed poorly in all three subjects and did not demonstrate interest or initiative to improve throughout the semester.
F	The student failed to meet any of the teacher's expectations of progress, effort, or attendance.

Course Requirements and Expectations:

- **Attendance and participation:** students will have up to 2 excused absences from class if I am notified in advance of the absence. Two unexcused absences may result in a lowered final grade. - **Multimedia Presentation:** students will submit the presentation plan to the instructor a week before each presentation. The instructor reserves a right to make suggestions or changes for the projects. Presentation will not be rescheduled unless the student submits a doctor's note or notifies the instructor for family emergency. Each presentation will be at least 15 minutes of length. (10% each, four times)
- Multimedia presentation must include but not limited to: plot summary, composer, lyricist, writer, director, performer, character development, choreography, set design, musical styles, comparison to other musical shows from the same period, PowerPoint slides, short video clips, and bibliography.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Date is August 31.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (September 10th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)

- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions or exemptions must be submitted to the Enrollment Services

Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
