Course Objectives:

The course is a research- and writing- intensive course open to students who have previous experience with the National Model United Nations Conference or MUN course work. This course will prepare students to attend the National Model United Nations Conference held in New York, New York, April 2 – April 8. Please ensure you are free before during and after these conference dates. Attendance and participation is required to successfully complete this course. This year we may attend the conference virtually, however participation is still mandatory and a part of your grade. Students must be available for in person or virtual participation.

The course will focus on preparing students to represent our assigned country at this conference. We will cover history, political and economic development and recent political events. In addition, we will look at the country's role in the world and its participation in international organizations, such as the United Nations. Additionally, the students will assume the identity of diplomats representing our country at the United Nations. They will learn about parliamentary procedure in the United Nations, write and respond to resolutions, form alliances with like-minded member states in order to pass these resolutions and respond to international incidents.

For more information about NMUN-NY, <https://www.nmun.org/conferences/new-york.html> (Links to an external site.)

After successfully completing this course, students should be able to demonstrate:

- Familiarity with the assigned country.
- Basic knowledge of the structure and purpose of the United Nations
- An understanding of the inner workings of the United Nations
- Ability to write position papers and resolutions
- Knowledge of the rules and procedures.

Assessment of Learning and Performance:

- Small Assignments: 15%
- Committee and Topics Presentation: 5%
- Mock Conference Participation: 20%
- Position Paper: 25%
- MUN New York (NMUN-NY) Participation: 25%
- High School Conference: 10%

Assignments:

- **Member State Profile and Background Guide Outline:**
 - This assignment serves to introduce students to their Member State as well as to their committee. Students should fill out the template as thoroughly as possible and answer the questions fully.
- **Resolution Examples:**
 - Before we travel to New York you will submit example resolution that will be graded.

Position Papers:

Position papers are meant to challenge the student and introduce them to research through supporting and creatively solving the assigned international issues. Students must demonstrate not only proficiency in English and grammar but also that adequate researched has been done on the topic at hand. Position Papers are required to have a minimum of ten sources per topic. Position Papers and all topics are highly advised to have been thoroughly researched by both delegates on a shared committee. Position Papers must be turned in on time and will lose credit each day they are late. Position papers must be submitted before each class period and are due online in Canvas.

MUN-NY and conference preparation:

Students must actively participate and fulfill all roles of a delegate at an MUN conference including, speeches, authoring and co-authoring draft resolutions, writing friendly and unfriendly amendments, lobbying for resolutions, contributing to the simulation in a respectful manner, and participating in voting procedure among others.

Lack of participation in MUN-NY and in class simulations will adversely affect student grades. After completion of the conference students will write a reflection paper regarding their overall experiences in both the class during preparation and review their experiences during the conference.

High School Conference Participation:

This year, the high school conference will be a mandatory part of the course. As a group we will work on hosting a high school model united nations conference experience for the East Texas High Schools.

Class Policies:

Please provide a respectful learning environment for your fellow students. Remember to be on time and present in class discussions. The mock simulation portion of this class is meant to prepare you for the conference in New York. This is a time to ask questions, make mistakes, and to learn from each other.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
