Course Description

Anthropology is the holistic, quantitative and qualitative study of humanity. This course will survey the major four sub-fields of anthropology: physical (biological) anthropology, archaeology, cultural anthropology and linguistics. The course will incorporate a cross-cultural examination of human institutions including social, political, and economic organizations.

Text: Anthropology, What does it Mean to be Human? Fourth Edition. Robert Lavenda and

Emily Schultz. Oxford. ISBN-13: 978-0190840686 ISBN-10: 0190840684

Class expectations

The assigned textbook chapters will be supplemented by lectures, case studies and discussion. The lectures will complement but not duplicate the readings. You are expected to have read appropriate assignments prior to coming to class. It is the student's responsibility to be aware of all deadlines and material discussed in class.

Grades will be weighed as follows:

10%
10%
60%
20%

Exams are based on the assigned textbook chapters as well as lecture contents and case studies.

Attendance:

Attendance in this class is mandatory. University courses are about learning a wealth of material in a short period of time - with the goal of being able to think critically about the topic at hand. As such, attendance at lecture will greatly increase your ability to understand anthropology. Additionally, attendance will improve your quiz, exam and final paper grades. You will be

allowed one unexcused absence. Each subsequent unexcused absence will result in a reduction of your attendance and participation grade.

Final Paper: Instead of a cumulative final exam - students will turn in an 8- page paper (double-spaced, 12-point New Times Roman font, APA citation format) and are required to cite at least one peer reviewed journal in addition to your text, lectures, and case studies. This final paper will be evaluated according to the following rubric:

Classroom distractions: Cell phones, text messages and any other contact with persons outside of the classroom is a distraction to other students (as well as the professor) and will not be tolerated.

Students Rights and Responsibilities

Campus Carry

We respect the right and privacy of students 21 and over who are duly licensed to carry concealed weapons in this class. License holders are expected to behave responsibly and keep a handgun secure and concealed. More information is available at http://www.uttyler.edu/about/campus-carry/index.php

UT Tyler a Tobacco-Free University

All forms of tobacco will not be permitted on the UT Tyler main campus, branch campuses, and any property owned by UT Tyler. This applies to all members of the University community, including students, faculty, staff, University affiliates, contractors, and visitors.

Forms of tobacco not permitted include cigarettes, cigars, pipes, water pipes (hookah), bidis, kreteks, electronic cigarettes, smokeless tobacco, snuff, chewing tobacco, and all other tobacco products.

There are several cessation programs available to students looking to quit smoking, including counseling, quitlines, and group support. For more information on cessation programs please visit www.uttyler.edu/tobacco-free.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions waivers

Financial Aid State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability/Accessibility Services

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Texas at Tyler offers accommodations to students with learning, physical and/or psychological disabilities. Student Absence due to Religious Observance

Students who anticipate being absent from class due to a religious observance are requested to inform the instructor of such absences by the second class meeting of the semester.

Student Absence for University-Sponsored Events and Activities

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Social Security and FERPA Statement

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number. The electronic transmission of grades (e.g., via e-mail) risks violation of the Family Educational Rights and Privacy Act; grades will not be transmitted electronically.

Everyone is required to exit the building when a fire alarm goes off. Follow your instructor's directions regarding the appropriate exit. If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
