

JUNIOR FACULTY SUMMER RESEARCH STIPEND

Please attach this sheet to the front of your proposal

DUE: January 31

Name: _____ Department: _____

By filling out this application, I understand the following requirements and conditions of receiving a Junior Faculty Summer Research Stipend:

1. I will not teach during at least one regular summer session (Session I or II).
2. I will apply for either a University Research Grant or a Faculty-Student Summer Research Grant (both are through the University's Research Committee) during 2004/05..
3. Should I receive the Faculty-Student Summer Research Grant, I will forfeit the Junior Faculty Summer Research Stipend.
4. Sometime during the 2005/06 school year, I will be prepared to make a presentation to the college and/or University community on the results of the research.

PROPOSAL

Attach no more than **1 page** total:

1. Briefly describe the research project that you intend to work on in the summer.
2. Briefly describe what you will actually do during the funded period. For example, visit X,Y,Z libraries and do research in AB collection; conduct 15 interviews in A, B, C, D locations; work at X library to complete the revisions of a journal article, etc.
3. Briefly explain how you intend to disseminate the results (submit a conference paper to XXX conference; two chapters of a book; submit journal article to XXX, etc.).
