**Course Objectives:** Managerial accounting is a sub-discipline of accounting concerned with the information needed by managers to effectively plan, control and make decisions about company operations. The study of managerial accounting crosses disciplines, because the managerial accounting system must provide information that is useful in financing, operating, marketing, research and development and myriad other activities of a company. The primary objective of this course to provide you with the knowledge and tools to effectively use managerial accounting information. The specific knowledge and tools objectives include:

- Understand how to allocate costs and why.
- Develop basic concepts of various cost allocation methods and their implications.
- Understand cost behavior and cost, volume and profit relationships
- Understand how to use accounting information for planning, decision making and continuous improvement.
- Develop insight into the evaluation and managing of performance.

**Homework:** Homework is a part of your course grade and is essential to good performance on the exams. All homework is assigned through the homework management system, *CengageNOWv2* or via Canvas. You may access the HW within the course menu.

**Discussions:** During the semester I will post discussion topics or exercises. These are part of your Attendance/Preparation/Participation points.

**Exams:** The assessments in this online course will be proctored using ProctorU. Beyond the cost of initial equipment needed (e.g. a camera for your computer), there will not be any additional cost for proctoring. You will need to create a ProctorU account and install the ProctorU extension before attempting any assessment.

To create a ProctorU account, follow the ProctorU tool within Canvas. Please make sure you are using the current version of Chrome or Firefox and download the ProctorU extension available at <http://bit.ly/proctoruchrome> or <https://www.proctoru.com/firefox>.

In order to use ProctorU, you will need the following:

- High-speed Internet connection
- Webcam (internal or external)
- Windows, Mac, or Chrome Operating System
- Up-to-date Chrome or Firefox browser and ProctorU extension installed
- Valid photo ID
- Quiet environment to take your assessment

You can visit the Test Taker Resource Page for additional information at <https://bit.ly/ProctorMe>

During exams you will be permitted to have a four-function calculator and one sheet of blank scratch paper only. You will not be permitted to have a cellphone, have other people in the room with you or take bathroom breaks. Please study and prepare accordingly.
