**Plagiarism:** Unless otherwise specified, all work submitted for a grade must be completed by yourself - no group effort. Plagiarism will result in disciplinary actions. To spare yourself accusations of plagiarism:

1. Do not show another student a copy of your work before it has been graded. The penalties for permitting your work to be copied are the same as the penalties for copying someone else's work.
2. Do not leave printouts of your work where other students may pick them up.

**Accommodation of Disabilities:** Any student in this course who has a disability that may prevent them from fully demonstrating his or her ability should contact me personally as soon as possible so we can discuss accommodations that might improve your educational experience.

### **Recording of Class Session(s)**

Class sessions (for example, course orientation via Zoom) may be recorded by the instructor for use by students enrolled in this course. Recordings that contain personally identifiable information or other information subject to FERPA shall not be shared with individuals not enrolled in this course unless appropriate consent is obtained from all relevant students. Class recordings are reserved only for the use of students enrolled in the course and only for educational purposes. Course recordings should not be shared outside of the course in any form without express permission.

SUMMER LECTURE SCHEDULE – M-H Connect SOFTWARE and E-BOOK REQUIRED.

Week 01: Orientation

Appendix A – Hardware and Software Basics  
Chapter 1. Business Driven MIS  
Chapter 2. Value Driven Decisions in Business  
Lecture Test 1 over Chapters 1 and 2

Week 02: Chapter 3. E-Business

Chapter 4. Ethics, Information Security  
Lecture Test 2 over Chapters 3 and 4

Week 03: Chapter 5. Sustainable Infrastructures and Technology

Chapter 6. Business Intelligence  
Chapter 7. Networks & Mobile Business  
Lecture Test 3 over Chapters 5, 6 and 7

Week 04: Chapter 8. Enterprise Applications

Chapter 9. System Development/Project Management  
Lecture Test 4 over Chapters 8 and 9

Week 05: Completion of any remaining Connect lecture review posttests and lecture exams.

LAB SCHEDULE – SIMnet SOFTWARE, E-BOOK, and OFFICE 2021 or 365 REQUIRED

Week 01: Office 2021 and Windows 10/11

Word 2021 Chapter 1: Creating and Editing Documents  
Word 2021 Chapter 2: Formatting and Customizing Documents

Week 02: Word 2021 Chapter 3: Working with Reports and Multipage Documents

Word 2021 Chapter 4: Using Tables, Columns, and Graphics

Week 03: PowerPoint 2021 Chapter 1: Creating and Editing Presentations

PowerPoint 2021 Chapter 2: Illustrating with Graphics  
PowerPoint 2021 Chapter 3: Delivery and using Slide Presentations

Week 04: Access 2021 Ch 1: Creating a Database and Tables (Mac systems do not have Access)

Access 2021 Chapter 2: Database Queries, Sorts, Manipulation  
Excel 2021 Chapter 1: Creating and Editing Workbooks

Week 05: Excel 2021 Chapter 2: Working with Formulas and Functions

Excel 2021 Chapter 3: Creating and Editing Charts  
Excel 2021 Chapter 4: Import, Tables, Sort/Filter, Conditional Formats  
Submission of all remaining SIMnet guided projects and lab exams.

\*\* Be sure to purchase the text/software bundle from the UT Tyler Barnes and Noble bookstore or directly from McGraw-Hill Publishing via your Canvas M-H Connect and SIMnet log-ins. Bundles secured from either source will include M-H Connect, SIMnet, electronic textbook (i.e., SIMnet SIMbooks), and all testing software. Purchasing course materials elsewhere will result in significantly higher costs for your course materials and/or likely incorrect course materials!
