### (3) Exams

Each exam consists of 50 multiple-choice questions (worth 100 points each), with 80 minutes allowed to complete each exam. Each exam is open for a whole week (7 days) for your convenience, but you have ONE ATTEMP to finish. It's being said, you need to finish it within 80 minutes after you start it. Exams are closed book and individual. That means using your book or notes, or working with another student is considered cheating and grounds for an F in the course. You will need to log into your Canvas account, find your course MARK 3311, and take the exam in the corresponding Module. Grading is objective,

based on terms, concepts and examples in the textbook. **NO MAKE-UP EXAM** unless a document for an excuse is submitted to the instructor before the exam.

- Exam I (CH 1-4) in Week 4 (2/1-7);
- Exam II (CH 5-8) in Week 8 (3/1-7);
- Exam III (CH 9-12) in Week 12 (4/5-11);

If you lose Internet connectivity during the exam, log back in immediately and continue on with the exam. Save your answers often (every 5-10 minutes). If you experience any issues while taking the exam, you must contact the Helpdesk immediately so that your issue is documented with a helpdesk ticket number. Considerations regarding exam issues will be made by the instructor on an individual basis based on the documentation.

#### (4) **Connect homework**

You are required to do online connect homework for 15 chapters in the textbook. These practice questions will give you immediate feedback on what you have learned from reading and lectures, and will also strengthen memory recall, improve course retention and boost grades. The questions will adjust to the level of difficulty needed.

**Assessment Method:** Connect homework are objective-formatted questions. Your points are weighted to 10 points per chapter or 150 pts total. You will receive your grades immediately right after the completion of each assignment.

**Tips for success:** Meeting the deadline is extremely important. If you finish these homework on time, your homework grade is 100%. Otherwise, your grade will be partial or even ZERO depending on the time you start and finish. In other words, the deadlines are firm. DO NOT ask for homework make-up because these connect homework are open for the whole semester. But your grade will be ZERO if you cannot meet the deadline.

- Set I: Chapter 1-4. Deadline: 2/7 11:59pm.
- Set II: Chapter 5-8. Deadline: 3/7 11:59pm.
- Set III: Chapter 9-12. Deadline: 4/11 11:59pm.
- Set IV: Chapter 13-15. Deadline: 4/25 11:59pm.

#### (5) **CPCA Module**

All Principles of Marketing courses at University of Texas at Tyler include a required component in which the student will complete an online certification from the Category Management Association that relates to the history and background of Category Management. Students will complete the Category Management Association Certification Program online and outside of class. Upon completion, the student will receive a certificate indicating completion. The student will have three chances to successfully pass the exam. Successfully passing the module exam with 80% or higher will result in 40 points in the class and failure to pass after three attempts results in 0 points. This is not optional and you will be emailed the assignment.

Deadline: Friday 4/23

This certification is the first of eight available through a variety of marketing courses that will culminate in giving the student the option to sit for a final Category Management exam outside of University of Texas at Tyler where, upon successfully passing the exam, the student will become a Certified Category Manager.

#### (6) SAP Assignments

**FAILURE TO COMPLETE SAP WILL RESULT IN EITHER A GRADE OF D OR F IN THE COURSE. THIS MEANS THAT IF YOU RECEIVE A 100 ON ALL OTHER MATERIAL THE BEST YOU CAN EARN IS A D IN THIS COURSE. DO NOT LET THIS HAPPEN TO YOU!! THIS POLICY IS MANDATED BY OUR DEAN AND MARKETING DEPARTMENT HEAD.** Refer to assignment instructions posted in the Assignments section of Canvas. You may download the SAP GUI on your personal computer or use the SAP Dedicated Lab on Campus. More information will be available about the lab at the start of the semester. The instructions are on Canvas once available.

Deadline: Friday 3/5

During the semester, we will have one dedicated week to complete. I STRONGLY ADVISE YOU TO COMPLETE THE ASSIGNMENTES THEN. I WILL ANNOUNCE IN CLASS AND ON Canvas WHEN THESE DATES ARE. We are working with other faculty who will take responsibility for all questions and grading of the SAP assignments and the faculty and various TA's can assist you in your completion of these assignments. If you still have questions or concerns exist after you have worked with my TA on these assignments, please contact me. You ARE permitted to work with other students to facilitate learning, however you must complete each assignment yourself. Please refer to Canvas for the hours the SAP Dedicated Lab on Campus will be open.

#### (7) Personal Brand assignment

An important part of this course is applying what you have learned to real examples. You will apply marketing concepts to yourselves to create a marketing plan that describes your target market for future employment, likely competition, major selling points, and a marketing mix to market your personal brand. The **Personal Branding assignment** is **worth 100 points**. Detailed personal brand instruction will be posted in Canvas. Submission deadline: 4/25

**Assessment Method:** Papers will be graded on the comprehensiveness of the assignment (i.e. covering every element in the assignment), quality of research (using appropriate sources, objective sources), thoroughness of research (quantity of sources), quality of writing, and originality. See the rubric at the end of the syllabus for specific grading criteria.

**IMPORTANT:** Your submission will be checked using Turnitin. No project will be accepted for grading if the turnitin.com percentage is greater than 30%. For an "A" project, its turnitin must be less than 20%.

**All works/exams must be completed on time. Late works will not be acceptable.**

### **Academic Integrity**

Academic integrity is of the utmost importance. Academic dishonesty will result in the receipt of an F for a final grade in this course. The assessments included in this course are designed to measure your grasp of the information which is examined throughout the course. Please refer to <http://www.uttyler.edu/catalog/10-12/1491.htm> to review the Academic Standards of Conduct.

### **Academic Dishonesty**

The faculty expects from its students a high level of responsibility and academic honesty. Because the value of an academic degree depends upon the absolute integrity of the work done by the student for that degree, it is imperative that a student demonstrates a high standard of individual honor in his or her scholastic work.

Scholastic dishonesty includes, but is not limited to, statements, acts or omissions related to

applications for enrollment of the award of a degree, and/or the submission, as one's own work of material that is not one's own. As a general rule, scholastic dishonesty involves one of the following acts: cheating, plagiarism, collusion and/or falsifying academic records. Students suspected of academic dishonesty are subject to disciplinary proceedings.

Unauthorized distribution of copyrighted material may subject students to civil and criminal penalties under the Federal Copyright law, (See, <http://www.copyright.gov/title17/circ92.pdf> ) Material subject to federal law includes, but is not limited to, printed materials, choreographic works, pantomimes, pictorial, graphic, or sculptural works, including the individual images of a motion picture or other audiovisual work. It also includes computer software, computer programs, musical works, sound recordings, and videos and other audiovisual work. It is also a violation of federal copyright law for any of the above to be electronically distributed through peer to peer sharing, Students found in violation of the Federal Copyright law may also be subject to student disciplinary proceedings as described above.

For more information on what constitutes copyright infringement and penalties see The UT System's copyright information website at <http://www.uttyler.edu/ohr/hop/documents/2.3.2IntellectualProperty.pdf>

### **Makeup Exams:**

Makeup exams will be given for documented excuses only, which are subject to the instructor's approval. Any request for a change resulting in an alternate time for an exam will need to be pre-approved prior to the exam in question. Make-up exams could be in an essay format and are considerably more difficult than the actual exam. The essay exam will be due at a time determined by the instructor and communicated to the student with the exam. Whenever possible every effort should be made to take the exam as scheduled.

### **Grade Replacement/Forgiveness and Census Date Policies**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>.

Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.

- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

### **State-Mandated Course Drop Policy**

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census. Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

### **Disability Accommodation**

Any student who feels their performance in this class may be impacted by a disability, in accordance with federal law, must provide documentation of his/her disability. It is university policy to evaluate the need for an accommodation on a case by case basis.

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. ### **SOCIAL SECURITY AND FERPA STATEMENT**

It is the policy of the University of Texas at Tyler to protect the confidential nature of social security numbers. The university issues a unique identifying ID number to all students. The electronic transmission of grades (e.g., email) risks violation of the Family Educational Rights and Privacy Act (FERPA) and therefore will not be transmitted electronically. Further, in accordance with FERPA, any

information regarding assignments and grading will be discussed between the instructor and the student only. All requests made to the instructor, which are initiated by someone other than the student, regarding information about a student's activity, will be advised by the instructor to seek that information from the student.

<b>Research</b>	Meets the minimum requirements for number of sources; Source quality is insufficient (outdated, biased, lacking in expertise, or inappropriate for a college paper, such as Wikipedia). Applies course concepts and terminology correctly, where appropriate.	Applies marketing concepts with a balance of description and analysis; Examples are original and correctly applied.
<b>Writing style</b>	Many grammatical or spelling errors in the paper. Distinct differences exist between sections written by different students.
