IMPORTANT INFORMATION FOR SUCCESS IN MANA 3300.001

1. **Attendance & Participation:** Yes, you are required to come to all class meetings and participate! There are online options for this course, and you chose to take an in-person class. I give in-class points for a variety of activities throughout the semester. If you miss class, you may miss earning points. These cannot be made up. I understand emergencies or other unexpected circumstances arise. If this is the case, email me as soon as possible so we can discuss what you missed. If you will be absent from a class for a university-sponsored activity, let me know prior to the event or activity.

2. **Format for assignments:**

- Name and date at the top right of all submitted documents
- 12-point font
- Double-spaced
- Citations, when necessary, listed on a separate page at the end of the assignment. All citations should be in APA Style. For more information view www.apastyle.org or <https://owl.perdue.edu>

3. **Assignments:** I will accept assignments one day past the due date and assess a ten-point late penalty. After the one-day late acceptance day, assignments will not be accepted and a zero will be given for the assignment. For example, if a 50-point assignment is due on Sunday, but I do not submit my work until Monday, the highest grade I can receive is a 40. If I wait until Tuesday, it is too late. I will receive a zero for the assignment.

4. **GMetrix:** GMetrix is a computer application that will help improve your skills in Excel. These skills will be used to analyze data (analytical thinking) during the last portion of the semester. You will need Excel on your home device or use the computers on campus. If you do not score a minimum 700 on the GMetrix test by the end of the semester, the highest grade you can achieve in the course is a C.

5. **Important date:** January 24,2022 (Census), March 28, 2022 (Final withdraw date)

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census

- Date) • Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
 - Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
