

EDUC 4301: Mathematical Problem Solving in EC6, Fall 2020
Hybrid
Monday and Wednesday 1:25-2:45 HPR 253

Instructor Information

John Lamb, Ph.D., Professor of Mathematics Education
 Office: BEP 248
 Office Hours: Mondays 1:00-2:00, Tuesdays 1:00-2:00, and Wednesdays 10:00-11:00 or by appointment
 Telephone: 903-566-7390
 Email address: jlamb@uttyler.edu
 Indication of best way to contact the instructor: Phone and Email

Last Day to Withdraw from Courses: November 2, 2020

Course Catalog Description

Topics in teaching mathematical content in EC6 classrooms through mathematical problem-solving techniques such as problem- and project-based instruction. Prerequisite: MATH 1350

Student Learning Outcomes & Assessments

Course Topics and/or Student Learning Outcomes	Assessment (including performance-based)	Standards Alignment
The student is expected to...		
Research, identify, examine, and discuss the historical principles and strategies of problem solving in the mathematics classroom.	Exams	Mathematics Generalist EC-6 Standards: Standard VI INTASC Standards: 4 and 5 TEKS: 111.1 – 111.26
Solve and analyze non-routine problems addressing mathematical content at or below the intermediate grade level.	Exams	Mathematics Generalist EC-6 Standards: Standard VI INTASC Standards: 4 TEKS: 111.1 – 111.26
Research and implement best practices in authentic project-based learning.	Investigative Reports	Mathematics Generalist EC-6 Standards: Standard VI INTASC Standards: 4 and 5 TEKS: 111.1 – 111.26
Demonstrate content knowledge based on 6 th grade mathematics standards.	6 th Grade Exam	TEKS: 111.26

Evaluation and Grading

Class and Online Assignments and Participation	30%
6 th Grade Equivalency Test	10%
Exams	60%
TOTAL	100%

A = 90-100% C = 70-79% B = 80-89% D = 60-69% F = 0-59%

NOTE: I expect that for every hour spent in class, two hours should be spent outside of class reading and working on assignments.

Teaching Strategies

1. *Online Assignments and Participation:* Students will have assignments that will be due Online and during Face-to-face classes. Students will complete one investigative report during the summer term that will be submitted online. Students will be required to submit video solutions of specific problems each week during the term.

2. *6th Grade Equivalency Test*: Each student will complete two 6th Grade Equivalency Tests in Mathematics during the semester. The tests will have 40-50 questions and students will have 60 minutes to complete each test. One test will be during the first week of the semester, and the second test will be during the last week of the semester. If a student scores 90% or higher on the first attempt, they do not have to take the second attempt.

3. *Exams*: The student will be required to complete five exams plus one final exam requiring students to solve non-routine problems covering mathematical content from the intermediate classrooms and answer questions pertaining to educational significance of problem solving in the mathematics classroom. The exams will include various types of assessment items. The exams will be cumulative throughout the semester, and no calculators will be allowed during the exams.

Required Text, Materials/Supplies, and Related Readings

Lechner, G. (2010). *Creative problem solving in school mathematics* (2nd Ed). New York: MOEMS (ISBN# 1-882144-10-4).

"A student of this institution is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer."

Tentative Course Outline:

This course is scheduled for Mondays and Wednesdays from 1:25 to 2:45. This course will be Hybrid and the class will be divided into two groups. Group 1 will be students having Last Names A-H and **Group 2** will have students having last names I-Z.

The calendar below will indicate the days each group will attend Face-to-Face classes. (The Instructor reserves the right to adapt this outline as needed during the semester.)

Week 1:	Monday August 24 th **Group 1: A-H	Wednesday August 26 th **Group 1: A-H
Week 2:	Monday August 31 st **Group 2: I-Z	Wednesday September 2 nd **Group 2: I-Z
Week 3:	Monday September 7 th **Online Both Groups	Wednesday September 9 th **Online Both Groups
Week 4:	Monday September 14 th **Group 1: A-H	Wednesday September 16 th **Group 1: A-H
Week 5:	Monday September 21 st **Group 2: I-Z	Wednesday September 23 rd **Group 2: I-Z
Week 6:	Monday September 28 th ** Online Both Groups	Wednesday September 30 th ** Online Both Groups
Week 7:	Monday October 5 th **Group 1: A-H	Wednesday October 7 th **Group 1: A-H
Week 8:	Monday October 12 th **Group 2: I-Z	Wednesday October 14 th **Group 2: I-Z
Week 9:	Monday October 19 th ** Online Both Groups	Wednesday October 21 st ** Online Both Groups
Week 10:	Monday October 26 th **Group 1: A-H	Wednesday October 28 th **Group 1: A-H
Week 11:	Monday November 2 nd **Group 2: I-Z	Wednesday November 4 th **Group 2: I-Z
Week 12:	Monday November 9 th ** Online Both Groups	Wednesday November 11 th ** Online Both Groups
Week 13:	Monday November 16 th ** Group 1: A-H	Wednesday November 18 th **Group 2: I-Z
Week 14:	Monday November 30 th **Online/Virtual	Wednesday December 2 nd **Online/Virtual
Week 15:	Finals Online	Finals Online

Course Policies

Online participation is imperative to the success in this online course. Students are expected to regularly review the course management system, check email, and contribute to course assignments.

All assignments are due on or before the dates provided in Canvas. Each written assignment must be typewritten and submitted in Canvas. General guidelines for written assignments are:

1. On Time
2. Word-Processed, Double-Spaced, Times New Roman 12 Font
3. Free of typographical errors

No email attachments of assignments will be accepted. Submission deadlines are final, and links will be removed after deadline has expired. NO LATE assignments will be accepted unless a valid pre-approved or medical reason has been discussed with the professor. If an assignment is not completed on time due to a documented illness, funeral, or other university related activity, then a make-up date can be scheduled with the professor. All late assignments or non-submitted assignments will receive a score of zero points.

If an assignment is plagiarized, then the student will receive a zero for the assignment. Academic dishonesty is not tolerated. The professor reserves the right to assign a failing grade for the course and report student behavior to university officials if offenses are egregious or occur more than once.

UNIVERSITY POLICIES

UT Tyler Honor Code

Every member of the UT Tyler community joins together to embrace: Honor and integrity that will not allow me to lie, cheat, or steal, nor to accept the actions of those who do.

COLLEGE OF EDUCATION AND PSYCHOLOGY (CEP) VISION AND MISSION

Vision: The College of Education and Psychology is nationally recognized and respected for its academic programs and opportunities. It is a center of academic excellence, scholarly inquiry, and public service. The College prepares leaders to meet the critical challenges of the 21st Century through productive contributions to local and global communities and toward individual and cultural equity.

Mission: The mission of the College of Education and Psychology is to provide a positive environment that fosters the acquisition of knowledge and skills. The mission is individually and collectively realized through a community of scholars that contributes to knowledge through scholarly inquiry; organizes knowledge for application, understanding

and communication; and provides leadership and service. We affirm and promote global perspectives that value individual and cultural diversity to enhance learning, service, and scholarship.

UT TYLER'S SCHOOL OF EDUCATION STANDARDS FOR EDUCATOR PREPARATION PROGRAMS

Texas Education Standards: The School of Education are committed to teaching and implementing the Texas Educator Standards at the highest level. The School of Education faculty use the Texas Education Standards, along with the Interstate New Teacher Assessment and Support Consortium (InTASC) standards used by educator preparation programs throughout the United States.

The list of [Texas Education Standards](#) can be accessed [here](#).
