#### **5. Course Policies and Guidelines:**

##### **a. Course Organization and Frequent Logins**

This course is organized into learning modules. The modules will open Sundays at 11:59 p.m. and close Sundays at 11:59 p.m. Because this is an online course, on-campus attendance is not applicable. However, you must demonstrate self-motivation and be disciplined to complete the course activities and assignments in a timely manner. Thus, frequent (not less than once a week) logins to the course are expected.

##### **b. Assignment Submission:**

- 8½" x 11" paper
- Times New Roman or Arial 12-point font
- Double-spaced (unless otherwise directed)
- 1-inch margin on all sides.
- Put page numbers on the top right-hand side.
- ***Put the title of the assignment at the top and centered on your paper.***
- Upload written assignments on the Canvas website under the assignment tab
- Your name/date/class number should NOT be included for electronic submissions.

**Upload written assignments on the Canvas website under the assignment tab**

- c. **Criteria for all assignments** will be posted online unless otherwise notified by the instructor.

**Canvas:** Students will access class notes, assignments, grades, and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts.

- d. **All work must be your own!** Work must be based on your own thoughts and words. Plagiarism is taken very seriously and will not be tolerated. Work will be submitted within a plagiarism detecting software.
- a. *Unicheck is a tool that will be used to check a document for plagiarism. The tool provides feedback as to whether or not the text in a document is a close match with other documents on the Internet, in journal databases, and submitted to Canvas. If a student is caught plagiarizing, a grade of zero will be given as well as a disposition for cheating.*
- e. **Late Work** Because this is an online class, you have a lot of flexibility in where and when you complete many of your assignments. You have many opportunities to submit the assignment on time throughout the week. It is expected that assignments be turned in on time. An assignment will be considered late if it is not turned in one the day it is due. Assignments should be submitted in the assignment folder on Canvas. ***Late assignments are not accepted unless prior arrangements have been made with the instructor.*** Assignments and due dates are posted on the course syllabus.
- f. **Zoom Video Conferences.** You will have the opportunity to participate in three Zoom conferences throughout the semester. The primary purpose of these video conferences is to facilitate conversations about the intervention project, strategic instruction/interventions, and progress monitoring. The secondary purpose is to build an on-line community of learners.
- a. **You are required to be present at the time you signed up for to receive points for attending the zoom conference.**
- g. **People First Language/Class Etiquette**  
Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. Degrading terminology will not be tolerated. In this class we will strive to use “people first” language at all times. “People First” language always refers to the person first and not as a label or a category. For example, refer to “a student with autism” and not “an autistic child.
- h. **Safe Zone**  
I consider this classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is my expectation that ALL students consider the classroom a safe environment.

**i. Communication**

You'll need to log in to Canvas regularly (at least once a week) to view that week's assignments and check announcements. If you need to email, I normally respond to emails within 24 hours during the week, and up to 48 hours on a weekend. If you email me over a weekend, holiday break, or semester break, there may be a longer response time.

Also, it is my policy to discuss grades in a live, one-on-one meeting so that we can clearly communicate, and I can hear your perspective and you can hear mine as this promotes open dialogue. If you have questions about grades or your performance in this class, I'm happy to meet with you in a Zoom conference or if you reside close to our campus during a face-to-face office visit.
