This course is designed to help beginning teachers build foundational knowledge relative to literacy assessment and instruction beginning with early childhood and continuing through upper elementary grades. Students learn key concepts, tools, and strategies for identifying students'

strengths and needs using formal and informal assessment measures and strategies, and for designing instruction to address identified literacy needs. Clinical or field experiences required. Course content incorporates the following standards for the preparation of reading professionals:

- *International Literacy Association* standards for the preparation of Pre-K and elementary teacher candidates (ILA, 2010);
- *Association for Childhood Education International* standards for the preparation of early childhood educators with a focus on the standards for reading, writing, and oral language development ACEI, 2007);

1. Develop foundational knowledge of the development of literacy in young children, beginning from birth and continuing into the upper elementary grades.
2. Explore an understanding of literacy development theories, research, and effective instructional practices, and how they can be used to inform and promote reading, writing, and oral language development in young children.
3. Apply the knowledge gained about the development of literacy in young children to develop, implement, and evaluate literacy instruction in EC-6 settings.
4. Develop a ready understanding of multiple key English Language Arts Terms & vocabulary from the International Literacy Association. Learning these key terms is essential for students to be prepared to teach phonics, phonemic awareness, and literacy, (House Bill 3) and to improve scores on the Texas state content tests for certification.

## Course Policies

- Attendance.** Your attendance and participation are important and required to do well in this course. Students are expected to come to class and be well prepared to engage in scholarly discussion on the day's scheduled subject matter. A student will not be able to do well in the class without prompt and regular attendance. Class attendance and participation is expected. Arriving late or leaving early is considered an absence. If you are absent on the day an assignment is due, you are still expected to submit the assignment on time (e.g., via email or through another student). Daily attendance is part of your Class Attendance, Participation, & Learning Activities grade. Points will also be deducted from the final grade due to excessive absences. Students will not be penalized for religious holidays (see policy below). Deductions from your final grade due to excessive absences will be treated as follows:

3 Absences = 20 Point Deduction

4 Absences = 30 Point Deduction

**Missed sessions for Texas Reading Academies must be made up. Any sessions that are not made up will result in the student not completing the Texas Reading Academies upon graduation from the program.**

- **Make-Up Exam.** There will be NO make/up exams for vocabulary quizzes for this course unless absence is due to an emergency. Students are expected to submit relevant documentation (e.g., doctor's note, funeral notice, tow-truck receipt, etc.) when requesting a make/up activity.

**All quizzes and activities for the Texas Reading Academies must be made up.** Failure to do so will result in the student not completing the Texas Reading Academies upon graduation. When employed as a teacher in grades K-3, the teacher will be required to complete the TRA from the beginning. **Modules completed previously will not roll over to the new cohort.**

- **Written Assignments.** Written assignments **MUST** be typed using **double spaced lines and have page numbers**. In addition, work submitted should reflect a professional quality in terms of scope, depth, writing mechanics, and appearance that would be expected of students at a prestigious university. Proofread all assignments as only materials with minimal or no errors will receive high scores. **Type assignments in an easily readable 12-point font (e.g., Times New Roman, Helvetica, Tahoma)**
- **Late Assignments** (turning in after due date) You will be permitted to turn in one assignment late (up to 48 hours) with no reduction in your grade. **After 48 hours, the assignment will not be accepted.**

After that, assignments that are turned in one day after the due date will be lowered 15%. Assignments that are turned in two days after the due date will be lowered 30%. **No assignments will be accepted after 48 hours unless arrangements have been made with the instructor.**

- **Academic Dishonesty.** To be successful in this class, you must invest time in studying. Honesty is expected. Academic dishonesty (cheating, plagiarism, collusion) will NOT be tolerated and will result in a grade of zero (0) for the assignment. A second infraction will result in automatic failure of the class. Dishonesty is defined as (i) the use of unauthorized materials, (ii) any communication with peers during quizzes, (iii) representing another's work as one's own (i.e., plagiarism), or (iv) fabricating information. The professor reserves the right to determine occurrences of cheating. Additional information on Academic Dishonesty is found in the Selected University Policies section of this syllabus.

- **Texas Reading Academies Quizzes/Tests:** With the exception of Module One, all Texas Reading Academies content, quizzes/tests must be done in class with your instructor. This is a Texas Education Agency requirement for receiving credit for completing the TRA.
- **Canvas:** Students will access class notes, assignments, grades, and course information through Canvas. Any changes to the course schedule, schedule of assignments, or any special assignments will be posted on Canvas. Students are expected to regularly check Canvas for updates and to download any class handouts. **All assignments will be submitted through Canvas on the designated assignment page.**
- **Cell Phone:** Cell phones or similar electronic devices are not to be used during class. Turn such devices off or on vibrate and do NOT access them during class. The use of cellphones or other electronic communication devices during exams is prohibited. **Text messaging should be done before or after class!** If you have an emergency or special situation that requires you to attend to your messages, please discuss this with me before class.
- **Person First Language:** Our language is a reflection of our attitudes. Always refer to persons with disabilities with respect. Degrading terminology will not be tolerated. In this class we will strive to use “people first” language at all times. For example, refer to “a student with autism” and not “an autistic.”
- **Teacher Candidate Dispositions.** The University of Texas at Tyler School of Education has developed **Teacher Candidate Disposition Assessment** outlining professional behaviors educators are expected to demonstrate in their interactions with students, families, colleagues, and communities. The process assumptions, dispositions to be assessed, and examples of deficiencies within each disposition assessment categories are available at the UT-Tyler School of Education website: [www.uttyler.edu/education](http://www.uttyler.edu/education) (access School of Education; School of Education Disposition Assessment). It is expected that all students enrolled in READ 3320 will adhere to and demonstrate these teacher candidate dispositions at all times.
- **Safe Zone**  
The professor considers this classroom to be a place where you will be treated with respect as a human being - regardless of gender, race, ethnicity, national origin, religious affiliation, sexual orientation, political beliefs, age, or ability. Additionally, diversity of thought is appreciated and encouraged, provided you can agree to disagree. It is the professor's expectation that students conduct themselves in a manner that ALL students are able to consider the classroom a safe environment.
