Student Learning Outcomes & Assessments

Students will be encouraged to take ownership of their own learning through critical and reflective thinking regarding the roles and responsibilities of effective superintendents. Students will explore educational issues, problem-solve and apply knowledge learned through a systematic examination of critical issues in educational leadership and a formal inquiry-based approach.

EDLR 5360 is an integral component of the Educational Leadership Program. Student Learning Outcomes for 5360 are derived from the Student Learning Outcomes for the Educational Leadership Program. These outcomes are infused into the internship experience and assessed in the TExES required for all students who are awarded a Texas Superintendent's Certificate.

As a professional educator, therefore, be polite and respectful of others; be attentive to timelines and assignments requirements; read and listen carefully; and think critically. There are no provisions for making-up quizzes or assignments.

Criminal History Acknowledgement:

As required by Texas HB1508, applicants need to be aware of the following.

1. In order to receive a superintendent certification, you must pass a criminal history background check.
2. If you have been convicted of an offense that is considered not appropriate for a superintendent, you could be ineligible to earn this certification from the state of Texas.
3. You have a right to request a criminal history evaluation letter from the Texas Education Agency. The Texas Education Agency currently charges a \$50 fee for this criminal history evaluation.

For more information, see [Preliminary Criminal History Evaluation](#).

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar. Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three-course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to

the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

University Withdrawal Dates:

*****Last day to withdraw to receive a W or Q is Monday, March 23, 2023.**

Students may not officially withdraw from a course after the "Last Day to Withdraw," as listed on the Academic Calendar. Late submissions will not be processed. Students who miss the withdrawal deadline or cease to complete work toward their courses after this point will automatically receive an F, or whatever grade they would earn based on their already completed work in the course.
