

Posters:

- Coldiron, A. M., Smith, L. N., Helphrey, J. H., Sawyer, J. D., Flores, E. V., Glover, T. L., Lee, D. C., & Barnett, M. D. (Accepted). *Comparing Virtual Reality and Analog Prospective Memory Performance*. Poster accepted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Donnell, R. L., Tran, N., Rodriguez, D., Glover, T. L., Vasquez, M. A., Childers, L. G., Lee, D. C., Barnett, M. D. (Submitted) *Social Functioning in Dementia, Loneliness, and Life Satisfaction Among Older Adults with Neurocognitive Disorder*. Poster submitted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Flores, E. V., Gutierrez, R. M., Shorter, S., Mollenkopf K. K., Childers, L., Flair, A. J, Donnell, R. L., & Barnett, M. D. (Submitted) *The Relationship between Visual Memory and Performance in Virtual Reality Among Older Adults*. Poster submitted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Glover, T. L., Flores, E. V., Williams, L. M., Shorter, S. S., Childers, L. G., Mollenkopf, K. K., Barela, L. B., Sawyer, J. D., & Barnett, M. D. (Submitted) *A Preliminary Study of Prospective Memory Performance and Medication Adherence Among Young Adults*. Poster submitted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Mollenkopf, K. K., Bennett-Leleux, L. J., Sandlin, A. M., Reed, C. M., Williams, L. M., Vasquez, M. A., Haygood, A. N., & Barnett, M. D. (Submitted). Physical activity and motor performance among older adults with neurocognitive disorder. Poster submitted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Sandlin, A.S., Sawyer, J.D., Smith, L.N., Helphrey, J.H., Coldiron, A.M., Mokhtari, B.K., Moore, J.M., Barnett, M.D. (Submitted). *Validation of the Virtual Kitchen Protocol: Correlations Between Verbal Memory and Procedural Learning in Virtual Reality Among Older Adults*. Poster submitted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Shorter, S. S., Coldiron, A. M., Reed, C. M., Glover, T. L., Gutierrez, R. M., Rodriguez, D., Moore, J. M., Parsons, T. D., & Barnett, M. D. (Submitted). *Comparison of Performance on the Virtual Environment Grocery Store and the CVLT-II*. Poster submitted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Vasquez, M.A., Helphrey J.H., Sandlin, A.M., Bennett-Leleux, L.J., Donnell, R.L., Glover, T.L., Markey, C.E., Moore, J.M , Barnett, M.D. (Submitted) *The Relationship Between Self-Rated Everyday Memory and Cognitive Status Among Older Adults*. Poster submitted for presentation at the 40th Annual Conference of the National Academy of Neuropsychology, Chicago, IL.
- Coldiron, A. M., Bennett-Leleux, L. J., Lee, D. C., Childers, L. G., Donnell, R. L., Sandlin, A. M., Marsden, A. D. & Barnett, M. D. (Submitted). *Older Adults' Persisting Beliefs about the Death Panel Myth and Advanced Directives*. Poster submitted for presentation at the 2020 Annual Scientific Meeting of the Gerontological Society of America, Philadelphia, PA.
- Cantu, C., Barnett, M. D., & Igou, F. (2020, June). Hospice Nurses Workplace Social Support, Compassion Fatigue, and Work-Family Balance. Society for Industrial and Organizational Psychology Virtual Conference.

- Bennett-Leleux, L. J., Flores, E. V., Reed, C. M., Donnell, R. L., Markey, C. E., Glover, T. L., Rodriguez, D., Coldiron, A. M., & Barnett, M. D. (Accepted). Visual working memory and procedural learning and memory in a virtual reality environment among older adults. Poster accepted for presentation at the 2020 annual meeting of the American Academy of Clinical Neuropsychology, Washington, D.C.
- Coldiron, A. M., Sandlin, A. M., Markey, C. E., Gutierrez, R. M., Bennett, L. J., Sawyer, J. D., Smith, L. N., Moore, J. M., & Barnett, M. D. (Accepted). *Comparing event-based and time-based prospective memory over short and longer delays in a virtual reality environment*. This peer-reviewed abstract was accepted for poster presentation at the 18th Annual Conference of the American Academy of Clinical Neuropsychology, Washington, DC, but has not yet been presented due to Covid-19 related conference cancellation.
- Flores, E. V., Sandlin, A. M., Bennett, L. J., Reed, C. M., Glover, T. L., Flair, J. A., Sawyer, J. D., Mollenkopf, K. K., & Barnett, M. D. (Accepted). The relationship between self-reported dysexecutive symptoms and tests of executive functioning among older adults. Poster accepted for presentation at the 2020 annual meeting of the American Academy of Clinical Neuropsychology, Washington, D.C.
- Gutierrez, R. M., Flores, E. V., Shorter, S. S., Donnell, R. L., Vasquez, M. A., Tran, N., Mollenkopf, K. K., Coldiron, A. M., & Barnett, M. D. (Accepted). Correlations between self-report and performance-based measures of adaptive functioning among older adults. Poster accepted for presentation at the 2020 annual meeting of the American Academy of Clinical Neuropsychology, Washington, D.C.
- Reed, C. M., Sandlin, A. M., Glover, T. L., Mokhtari, B. K., Smith, L. N., Sawyer, J. D., Helphrey, J. H., Moore, J. M., & Barnett, M. D. (Accepted). Comparing learning and memory of sensical and nonsensical procedural tasks in a virtual reality environment among young adults. Poster accepted for presentation at the 2020 annual meeting of the American Academy of Clinical Neuropsychology, Washington, D.C.
- Sandlin, A. M., Glover, T. L., Shorter, S. S., Flair, J. A., Williams, L. M., Flores, E. V., Bennett, L. J., Moore, J. H., & Barnett, M. D. (Accepted). *Cognition, Loneliness, and Financial Exploitation Among Older Adults: older adults with neurocognitive impairment*. This peer-reviewed abstract was accepted for poster presentation at the 18th Annual Conference of the American Academy of Clinical Neuropsychology, Washington, DC, but has not yet been presented due to Covid-19 related conference cancellation.
- Vasquez, M. A., Reed, C. M., Williams, L. M., Flair, J. A., Tran, N., Haygood, A. N., Barela, L.B., Gutierrez, R. M., & Barnett, M. D. (Accepted) Are Self-Ratings of Everyday Cognition Sensitive to Neurocognitive Impairment Among Older Adults? Poster accepted for presentation at the 2021 Annual Conference of the American Academy of Clinical Neuropsychology, Portland, OR.
- Donnell, R. L., Bennett-Leleux, L. J., Flores, E. V., Flair, J. A., Mollenkopf, K. K., Barela, L. B., & Barnett, M. D. (Accepted). Talking about and preparing for death among older adults. Poster accepted for presentation at Southwestern Association's 2020 annual meeting, Frisco, TX.
- Fierro, L. A., Bridenbaugh, A. J., Van Vleet, S. C., Moore, J. M., Sawyer, J. D., Helphrey, J. H., Smith, L. N., & Barnett, M. D. (Accepted). End-of-life treatment preferences: A comparison of young adult and older adult age cohorts. Poster accepted for presentation at Southwestern Association's 2020 annual meeting, Frisco, TX.

- Flores, E. V., Rodriguez, D., Markey, C. E., Glover, T. L., Sawyer, J. D., Barela, L. B., & Barnett, M. D. (Accepted). Emotional and behavioral responses to an older adult making a racist statement among younger adults. Poster accepted for presentation at Southwestern Association's 2020 annual meeting, Frisco, TX.
- Haygood, A. N., Mollenkopf, K. K., Bennett, L. J., Shorter, S. S., Flair, J. A., & Barnett, M. D. (Accepted). Narcissus and Echo: Narcissism and emotion regulation of self and others. Poster accepted for presentation at Southwestern Association's 2020 annual meeting, Frisco, TX.
- Reed, C. M., Archuleta, W. P., Cantu, C., Helphrey, J. H., Sawyer, J. D., Sandlin, A. M., Rodriguez, D., & Barnett, M. D. (Accepted). Does generativity explain conservatives' environmental attitudes? Poster accepted for presentation at Southwestern Association's 2020 annual meeting, Frisco, TX.
- Shorter, S. S., Haygood, A. N., Williams, L. M., Mollenkopf, K. M., Flair, J. A., Glover, T. L., & Barnett, M. D. (Accepted). Avoiding parenthood: Attachment styles and desire to have children. Poster accepted for presentation at Southwestern Association's 2020 annual meeting, Frisco, TX.
- Bennett, L. J., Sawyer, J. D., Coldiron, A. M., Reed, C. M., Flores, E. V., Markey, C. E., Parsons, T. D., & Barnett, M. D. (2020, February). Paces in different places: A preliminary study of the relationship between physical activity and navigation in a virtual environment. Poster presented at the International Neuropsychological Society's 2020 annual meeting in Denver, CO.
- Bennett, L. J., Sandlin, A. M., Reed, C. M., Donnell, R. L., Haygood, A. N., Edzards, S. M., & Barnett, M. D. (2020, February). Visually and verbally mediated trail making tests in relation to digit span. Poster presented at the International Neuropsychological Society's 2020 annual meeting in Denver, CO.
- Coldiron, A. M., Helphrey, J. H., Bennett, L. J., Smith, L. N., Donnell, R. L., Haygood, A. N., & Barnett, M. D. (2020, February). The difference a modality makes: Visually and verbally mediated trail making tests in relation to a continuous performance test. Poster presented at the International Neuropsychological Society's 2020 annual meeting in Denver, CO.
- Flores, E. V., Sawyer, J. D., Rodriguez, D., Bennett, L. J., Donnell, R. L., Barela, L. B., & Barnett, M. D. (2020, February). Ethnic differences in Stroop task performance among college students. Poster presented at the International Neuropsychological Society's 2020 annual meeting in Denver, CO.
- Helphrey, J. H., Sawyer, J. D., Bennett, L. J., Sandlin, A. M., Smith, L. N., Flores, E. V., Parsons, T. D., & Barnett, M. D. (2020, February). A preliminary study of activity level in relation to performance on prospective memory tasks in a virtual environment. Poster presented at the International Neuropsychological Society's 2020 annual meeting in Denver, CO.
- Reed, C. M., Rodriguez, D., Smith, L. N., Sandlin, A. M., Sawyer, J. D., Barela, L. B., & Barnett, M. D. (2020, February). Does a modality make a difference? Visually and verbally mediated trailmaking tests in relation to a Stroop task. Poster presented at the International Neuropsychological Society's 2020 annual meeting in Denver, CO.
- Sawyer, J. D., Moore, J. M., Coldiron, A. M., Sandlin, A. M., Bennett, L. J., Edzards, S. M., & Barnett, M. D. (2020, February). An experimental investigation of the impact of rapport on Stroop task performance. Poster presented at the International Neuropsychological Society's 2020 annual meeting in Denver, CO.
