Courses	Course Titles	Transfer Work	Semester of Completion	Credits	Grade
Year ONE Fall					
PSYC 6308	Advanced Psychopathology and Diagnosis			3	
PSYC 5328	Issues and Professional Ethics			3	
PSYC 6313	Evidence Based Practice			3	
PSYC 6340	Advanced Statistics & Design			3	
Year ONE Spring					
PSYC 6310	Cognition and Emotion			3	
PSYC 6341	Multivariate Statistics			3	
PSYC 6301	Advanced Tests and Measurement			3	
Year ONE Summer					
PSYC 6368	Clinical and Diagnostic Assessment			3	
PSYC 6324	Diversity in Clinical Psychology			3	
PSYC 6342	Research Methods in Clinical Psychology			3	
Year TWO Fall					
PSYC 6352	Biological Foundations of Behavior			3	
	Elective 1			3	
PSYC 5392	Clinical Skills I			3	
PSYC 5394	Thesis I (or Research with Underserved Populations)			3	
Year TWO Spring					
PSYC 6366	Advanced Assessment of Mental Abilities			3	
PSYC 6320	Advanced Study in Development			3	
PSYC 5393	Clinical Skills II			3	
PSYC 5395	Thesis II (or Research with Underserved Populations)			3	
Year TWO Summer					
PSYC 5396	Supervised Practicum in Psychology			3	
Year THREE Fall					
PSYC 6375	Supervision and Consultation			3	
PSYC 5396	Supervised Practicum in Psychology			3	
PSYC 6311	Social and Cultural Psychology			3	
Year THREE Spring					
PSYC 5397	Advanced Practicum in Psychology			3	
PSYC 6382	Research with Underserved Populations			3	
	Elective 2			3	
Year THREE Summer					
PSYC 5397	Advanced Supervised Practicum in Psychology			3	
Year FOUR Fall					
PSYC 6312	Practicum with Underserved Populations			3	
PSYC 6398	Dissertation			3	
PSYC 6381	Seminar in Underserved Populations			3	
Year FOUR Spring					
PSYC 6312	Practicum with Underserved Populations			3	
PSYC 6399	Dissertation			3	
	Elective 3 or Seminar in Underserved Populations			3	
Year FIVE Fall					
PSYC 6386	Internship in Psychology (1-3 hours if needed)			1	
Year FIVE Spring					
PSYC 6386	Internship in Psychology (1-3 hours if needed)			1	
Year FIVE Summer					
PSYC 6386	Internship in Psychology (1-3 hours if needed)			1	

Emphasis Areas Courses and Electives			
Course Number	Course Title	Required/Elective	SCH
Geropsychology/Neuropsychology:			
Note. You are required to take PSYC 6381, PSYC 6382, and two semesters of PSYC 6312. You have the choice of 3 electives from the list of courses below. You may take a second class of PSYC 6381 in lieu of one elective.			
PSYC 6381	Seminar in Underserved Populations (Elderly)	Required Elective In Degree Plan	3
PSYC 6382	Research with Underserved Populations (Elderly)	Required Elective in Degree Plan	3
PSYC 6312	Practicum with Underserved Populations	Required Class in Degree Plan - 2 semesters	3 (6 total)
PSYC 6383	Teaching of Psychology	Elective	3
PSYC 6384	Cognitive and Behavioral Applications	Elective	3
PSYC 6391	Independent Study	Elective	3
PSYC 6385	Supervision Practice in Psychology	Elective	3
PSYC 5380	Seminar: Death and Dying	Elective	3
PSYC 5380	Seminar in Psychology: Topic TBD	Elective	3
PSYC 5350	Clinical Neuropsychology	Elective	3
PSYC 5354	Psychopharmacology	Elective	3
PSYC 5356	Neuropsychological Assessment of Memory	Elective	3
PSYC 5359	Neuropsychological Assessment: Flexible Battery	Elective	3
PSYC 5358	Neuropsychological Assessment: Fixed Battery	Elective	3
PSYC 5361	Behavior Modification	Elective	3
Military/Veterans Mental Health:			
Note. You are required to take PSYC 6381, PSYC 6382, and two semesters of PSYC 6312. You have the choice of 3 electives from the list of courses below. You may take a second class of PSYC 6381 in lieu of one elective.			
PSYC 6381	Seminar in Underserved Populations (Mil/Vet)	Required Elective In Degree Plan	3
PSYC 6382	Research with Underserved Populations (Mil/Vet)	Required Elective in Degree Plan	3
PSYC 6312	Practicum with Underserved Populations	Required Class in Degree Plan- 2 semesters	3 (6 total)
PSYC 6383	Teaching of Psychology	Elective	3
PSYC 6384	Cognitive and Behavioral Applications	Elective	3
PSYC 6385	Supervision Practice in Psychology	Elective	3
PSYC 6391	Independent Study	Elective	3
PSYC 5345	Group Therapy	Elective	3
PSYC 5354	Psychopharmacology	Elective	3
PSYC 5380	Seminar in Psychology: Topic TBD	Elective	3
COUN 5319	Addictions Counseling	Elective	3
PSYC 5361	Behavior Modification	Elective	3
COUN 5370	Trauma-Informed Counseling	Elective	3
Rural Mental Health:			
Note. You are required to take PSYC 6381, PSYC 6382, and two semesters of PSYC 6312. You have the choice of 3 electives from the list of courses below. You may take a second class of PSYC 6381 in lieu of one elective.			
PSYC 6381	Seminar in Underserved Populations (Rural)	Required Elective In Degree Plan	3
PSYC 6382	Research with Underserved Populations (Rural)	Required Elective in Degree Plan	3
PSYC 6312	Practicum with Underserved Populations	Required in Degree Plan- 2 semesters	3 (6 total)
PSYC 5345	Group Therapy and Counseling	Recommended Elective	3
PSYC 6383	Teaching of Psychology	Elective	3
PSYC 6384	Cognitive and Behavioral Applications	Elective	3
PSYC 6385	Supervision Practice in Psychology	Elective	3
PSYC 6391	Independent Study	Elective	3
PSYC 5380	Seminar: Acceptance and Commitment Therapy	Elective	3

PSYC 5380	Seminar in Psychology: Topic TBD	Elective	3
PSYC 5354	Psychopharmacology	Elective	3
PSYC 5361	Behavior Modification	Elective	3
COUN 5319	Addictions Counseling	Elective	3
