### **Course Policies**

***Attendance*** – While it is strongly recommended that you do not miss any classes, you are permitted to miss one class (2.5 hours) with no penalty. If you are going to miss a class, it is expected that you will notify the professor ahead of time. With a second absence you will receive a one-letter grade deduction from your final grade in the course (e.g., A → B) unless you write a letter to the instructor that explains extenuating circumstances for both absences. With your letter you should include documentation that substantiates your extenuating circumstance. The instructor will then decide if both the first and the second absences are excusable. Each subsequent absence will result in the drop of a letter grade.

***Class Punctuality*** - Students are expected to attend classes on time. Late behavior in excess of one class will result in a loss of participation points for each incident. In addition to a loss of participation points, students who are consistently late and miss a significant amount of class time may be assessed a course a course absence (see attendance heading above).

***Participation***- Participation is an essential component of this class. Students are expected to come to class fully prepared to actively participate in class activities and discussions. During class students will be provided with opportunities for dialogue, questions, and to engage in activities related to course content. In order to receive full participation points for this course, students will need to stay engaged during class time and regularly participate in class discussion and activities.

***Zoom Professional Behaviors:*** Students should attend online zoom synchronous classes in the same manner that they would attend in-person classes. Students should be professionally dressed and sitting in an appropriate position for learning. Students must keep their video cameras on for the entirety of class. Students are not permitted to be engaging in other activities while attending class (e.g., driving a car, working a job, attending an appointment, etc.). Students will need to find a quiet and private location in which to attend class. It is also essential that students are able to secure a good internet connection.

***Use of Technology:*** Cell phones are to be turned off or put in silent mode during class. Cell phones should not be visible during class, so please keep them in your pants, purse, backpack, etc. If you are experiencing an emergency or extenuating circumstance where you need to check your phone during class, please inform me of this before class begins. Students who choose to use a laptop computer should only do so for taking notes. **Students who use laptop computers are prohibited from (a) surfing the internet, (b) checking email, and (c) working on other assignments during class.** If the instructor becomes aware of a student using their laptop for any reason other than taking notes, he may ask that student to cease bringing their computer into the classroom.

***Communication Policy*** - University policy requires that all e-mail correspondence between students and instructor be done via the Patriot account. Check your Patriot E-Mail frequently. Announcements pertaining to class or departmental business will be sent to the student's Patriot account. In accord with university policy your instructor will respond only to student correspondence sent via Patriot E-mail. Please do not contact the instructor via the Canvas messaging system. My email address is [rmoate@uttyler.edu](mailto:rmoate@uttyler.edu). Typically, I will be able to respond to your emails within 24 hours Monday – Thursday. **NOTE:** Make sure that you **do not** send emails to [rmoate@patriots.uttyler.edu](mailto:rmoate@patriots.uttyler.edu) as I will not receive these messages.

***Late Policy:*** Assignments are due when class begins on the assigned date. Assignments submitted after class begins will be considered late. Late assignments will be reduced by 10% (one letter grade) for each day the assignment is submitted late. After three days past the due date, late assignments will no longer be accepted, and the student will receive a zero for the assignment.

***Diversity Statement:*** Students are expected to be sensitive to individual and multicultural differences and to treat one another with respect during their experience in this course. Sensitivity to gender/race/ethnicity/ability/sexuality is expected and disrespectful language and/or behavior will not be tolerated.

The American Counseling Association has explicit policies, standards, and ethical guidelines regarding diversity issues. In this class, you will be expected to reflect the standards and ethics of the counseling profession, especially in the area of diversity. Any use of written or verbal language should be consistent with the respect and tolerance that are the cornerstone of the counseling profession and should reflect the ACA Human Rights Committee's 1987 statement on tolerance, which states:

In order to guarantee that each individual is free to pursue his/her potential, each member of ACA is charged to (a) engage in ongoing examination of his/her own attitudes, feelings, stereotypic views, perceptions and behaviors that might have prejudicial or limiting impact on others; (b) contribute to an increased sensitivity on the part of other individuals, groups or institutions to the barriers to opportunity imposed by discrimination; (c) advocate equal rights for all individuals through concerted personal, professional, and political activity.

## Course Assignments

*Addresses CACREP Standards: 2.F.1.a., 2.F.1.i., 2.F.1.k.*

For this assignment take some time and reflect on the following questions (see below). After reflecting, write a thoughtful paper that explains your responses to each question. It is essential for this assignment that you can demonstrate reflectiveness, honesty, and self-awareness in your written response. Your paper should be written in APA format and be 5-7 pages (including a title page) in length.

1. What has brought you to the field of counseling? Why do you want to become a professional counselor?
2. Describe your guiding values, principles, and beliefs.
  - a. Where did your values, principles, and beliefs come from?
  - b. How might they influence your practice as a professional counselor?
3. What areas of personal growth will be important for you to address during your process of becoming a counselor?
4. What professional work setting and/or populations would you like to work with?

### **Current Issues Project (75 points: Presentation 50 points, APA format references = 25)**

*Addresses CACREP Standards: Varies depending on topics chosen by students however, presentations frequently address standards, 2.F.2.b., 2.F.1.c., 2.F.1.e., 2.F.1.j., 2.F.5.m., 5.C.2.i., 5.C.2.j., 5.C.2.k.*

It will be your task to explore a current issue in the field of counseling and report it to your classmates. Effective ways to find out about current issues in professional counseling are to explore current literature, search the web, and to talk with counseling professionals. For a general list of topics see Appendix I.

Once you have identified a specific issue that you would like to explore please have your topic approved by the instructor. Once your topic is approved, you will conduct an in-depth literature review and construct a presentation for your classmates. Each presentation should be between 15-20 minutes in length and will provide an overview of the issue. As you will have a relatively short period of time to present, your presentation style should be casual and conversational (i.e., do not use a powerpoint unless it is essential).

You should be prepared to answer questions on your topic by the instructor and your classmates. Each presentation must include an APA formatted reference list of at least five scholarly articles used for the presentation. Scholarly articles are defined as peer reviewed journal articles and books that are relevant to the fields of counseling and psychology.

**\*\*Note:** For group assignments, it is understood that each student whose name is included on the final product has contributed to that product in an appropriate manner, and each member of the group is responsible for the final product as a whole, regardless of their individual contributions.\*\*

### **Plan of Study & CMHC Handbook (10 points)**

Complete a tentative plan of study for your time in this program and submit it to your academic advisor for review. You will also read the CMHC handbook and then should ask your academic advisor any questions you may have.

You will conduct an interview with a counselor from a list provided by the professor. You should contact the counselor and set up a time to conduct an interview. When you contact the counselor, you should inform them that you would like to interview them for your graduate level course Foundations and Ethics in Clinical Mental Health Counseling at UT Tyler. Let them know that you are required to write a paper from your interview. If you would like to audio record your interview you **must** ask your interviewees permission to do so.

In the paper, you should include response to the following items:

4. What is/are the most important thing(s) they've learned that have helped them to become an effective counselor?
5. What protocols does their place of employment have for client emergencies and/or crisis response team?
6. A summary of the most meaningful learning(s) you experienced from conducting the interview.

**\*\*Note:** *you are not limited to only asking your interviewee these questions. Be prepared to ask follow up questions and other related questions, in order to facilitate a good dialog with your interviewee.\*\**

Your paper should be 5-7 pages (i.e., a title page, and at least 4 complete pages of text).

After you have completed your paper you will be asked to briefly present your findings to the class. Your presentation should be brief (approximately 5 minutes in length).

Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware.

These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
