Required Text and Assigned Readings:

*To be determined by Veterans Voices program coordinators and assigned each week.

A student at UT-Tyler is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Evaluation and Grading: (100 points total)

The following points have been assigned to portions of your performance. It is my expectation that you can earn an “A” in this class if you complete assignments in a timely fashion, demonstrate an awareness and adherence to ethical decision-making processes, and attend classes/program events as required. Laptop/Computer/Video Conference Policy: This course (and your grade) heavily depends on your active participation; therefore, there are several expectations for this learning format. It is expected that the use of your computers will be limited to note-taking and that you will avoid doing other work in class, using any type of social media, or texting during class time. In general, you are expected to be engaged with the material we are covering, class discussions, and exercises.

Ethical behavior: Ethical violations and/or unprofessional behavior will result in course failure, an incomplete grade, or other appropriate action. Remediation will be determined by the professor who will consult with a peer and meet with the student to determine the appropriate response.

Due to the highly interactive nature of the class session, attendance is expected during our scheduled class periods. **If you are unable to attend a class session you must contact me prior to the class period. Tardiness also delays or disrupts class activities and is discouraged.**

The instructor reserves the right to make any changes to the course schedule, content, or assignments as deemed necessary. Students will be notified of any changes to the course immediately.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Fall, the Census Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.
