Course and Meeting Information

This course is fully online and asynchronous, meaning there are no course meetings, nor is there any one scheduled time that all students must do the same activity together. Assignments for each module may be submitted any time after they become available and before Sunday 11:59 pm of the assigned week. This course requires 12-15 hours of work per week.

This course is considered a Psychology Upper division elective. It is not required as part of your Psychology degree, but is highly encouraged if you plan on getting your PhD as many APA accredited PhD programs require a History of Psychology course as a pre-requisite for admission (including the PhD program at UT Tyler).

Course Materials and Resources

Required Textbooks

Shiraev, E. (2015). *A history of psychology: A global perspective* (2nd ed.). Thousand Oaks, CA: Sage.

NOTE: A student at UT-Tyler is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer. **Instructor note:** You may also buy older editions of the required textbooks. It is your responsibility to find out which sections are different between editions and to make arrangements for when you need to use a different edition. You may purchase, rent, or borrow any format of the book as well (hard copy, spiral-bound, ebook, audiobook, etc.).

Required Canvas Use

Check the course Canvas page daily: you are responsible for any information I convey through Canvas, UT-Tyler email, or in class, as well as information contained in documents in the “Modules” tab. Pay special attention to the Course Calendar and the Assignments and Activities descriptions. Go to Canvas settings and set up your notifications to “subscribe” to such announcements and comments from me so you will not miss anything. I give feedback on some assignments through the comments feature. You will find those in the same place you submitted an online assignment on the right-hand side reading “comments.” I often attach drafts of documents here with tracked changes and comments; make sure you know how to view tracked changes and comments in Word if they are not automatically visible for you.

Technology

It is recommended that you have access to a personal computer. With enough “legwork”, you can complete this course utilizing public access computers (libraries, labs, etc.)

You will need to submit some assignments in .doc format. Use of Microsoft Word is strongly encouraged instead of Apple’s Pages, Google Drive documents, or any other programs. If you do not have Microsoft Word, please visit the following page for instructions for how to download it for free: <https://www.uttyler.edu/it/office365/365-proplus-students.php>

E-mail

Please check e-mail and Canvas **daily** on weekdays. Before asking a question via e-mail, always check the syllabus and recent Canvas announcements first. E-mail me using your patriot mail, **NOT** Canvas inbox messaging. I check e-mail 8-5 on weekdays and usually avoid it in the evenings or weekends. I will do my best to return emails within one business day and I expect a similar turnaround time from you. I get hundreds of emails a week. If you have questions concerning this course, please put PSYC 4321 in the subject line.

Contacting Me

Personal meetings. To meet with me, please email me and we will schedule a time that we can meet in person, over Zoom, or over the phone. The easiest way to get ahold of me is over email.

Make-up and Late Work

Deadlines and times are firm. Late assignments will not be accepted or awarded any credit.

Structure of Course

This course is online and taught asynchronously. This means that there is not a designated time that the class “meets.” You will be responsible for pacing yourself throughout. Each week on Monday at 8am, the next week’s module will open and you will be able to access the coursework, lectures, etc. You will not be able to complete more than that week. Once a week ends, the course will lock and you will be unable to access the quizzes/assignments to be graded.

Transparency Statement: Please note that as a professor, I can see how long you are in your CANVAS modules, when you submit quizzes, how long it took you to complete quizzes and if your quizzes were completed at the same time as your peers.

If you have a concern about a grade at any time, please email me ASAP about your issue and type up the justification (with textbook or other evidence) for why I should count your answer I marked wrong. **Grade change requests without a full paragraph of written justification with evidence will be ignored.**

Extra credit. You may earn extra credit by participating in the following ways:

These exams will be untimed, but you will need to finish them in one sitting. If you leave the testing site, your exam will not reopen and I will not reopen it for you.
3. Famous Psychologist Spotlight Project (250 points, 1 total)—you will be asked to create a series of infographics highlighting the accomplishments of 4 famous psychologists in history. This will be due on Sunday, July 31st.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for any forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refund for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (session changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment

- Completing the process for tuition exemptions for waivers through Financial Aid.

State-Mandated Course Drop Policy

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Disability/Accessibility Services: In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Tyler at Texas offers accommodations to students with learning, physical and/or psychological disabilities.
