Required Textbook:

Learning and Behavior, 8e By: James E. Mazur ISBN-10:11386899470

NOTE: A student at UT-Tyler is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer.

Course Design:

This is an asynchronous online course. Asynchronous learning happens on your own schedule. **There is no online or in-campus meeting for this course.** You can access all course materials, including readings, videos, presentations, assignments and quizzes via Canvas and complete them on your own schedule. But please keep in mind that you must meet the expected deadlines for each activity.

This class is divided into five modules. Each module contains two chapters. For each chapter, there is a lecture recording, PowerPoint presentation, a video quiz and a chapter quiz. Lecture recordings and presentations may guide you while reading the chapter. Video quizzes will help you to see real life applications of the concepts and at the end of each chapter you will test your learning with the chapter quizzes. Each week on Monday the class will start a new module. Within the week, students will manage their time to complete the required assignments that are assigned for the week by **Sunday at 11:59 pm!**

Please make sure you have logged into Canvas and reviewed the informational messages explaining the workings of this course. I will make course announcements weekly to help you keep track of what assignments are due and inform you of any important updates within the course.

Assignments and point values:

Your final grade for the course will be based on the following:

Assignment	Number of Assignment	Points per assignment	Highest possible points in total
Video Quiz	10	50 points	500 points
Chapter Quiz	10	50 points	500 points
Highest possible points in this class: 1000 points			

Grading Scale:

A = 900-1000 points
B = 800-899 points
C = 700-799 points
D = 600-699 points
F = 0-599 points

Late Work and Make-Up Exams: If you miss a graded course requirement for an excused reason (such as a doctor's documented illness, death/funeral, evacuation for a natural disaster, university-related activity, religious observance, etc.), I may accept your late work without any penalty. You will be required to provide an acceptable form of documentation for missing the deadline. That documentation must be submitted via email within 48 hours of missing the course requirement. All assignments and tests in the course are available for a window of time not less than 5 days, so due dates are firm if you do not have an acceptable form of documentation.

Graded Course Requirements Information:

Video Quizzes: In each chapter, students watch 1-2 short videos and answer 3-6 multiple-choice questions at the end of each video. All video quizzes allow 2 attempts.

Chapter Quizzes: At the end of each chapter, students answer 10 multiple-choice questions. All quizzes allow 2 attempts, and your highest grade will be your final grade for each quiz. Chapter quizzes are not timed.

University Policies and Information:

Withdrawing from Class - Students you are allowed to withdraw ([Links to an external site.](#)) (drop) from this course through the University's Withdrawal Portal ([Links to an external site.](#)). Texas law prohibits students who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at other 2-year or 4-year Texas public colleges and universities. Make sure to consider the impact withdrawing from this class has on your academic progress as well as the financial implications. We encourage you to consult your advisor(s) and financial aid for additional guidance. CAUTION #1: Withdrawing before census day does not mean you get a full refund. Please see the Tuition and Fee Refund Schedule ([Links to an external site.](#)). CAUTION #2: All international students must check with the Office of International Programs ([Links to an external site.](#)) before withdrawing. All international students are required to enroll full-time for fall and spring terms.

Final Exam Policy: Final examinations are administered as scheduled. If unusual circumstances require that special arrangements be made for an individual student or class, the dean of the appropriate college, after consultation with the faculty member involved, may authorize an exception to the schedule. Faculty members are required to maintain student final examination papers for a minimum of three months following the examination date.

Incomplete Grade Policy: If a student, because of extenuating circumstances, is unable to complete all of the requirements for a course by the end of the semester, then the instructor may recommend an Incomplete (I) for the course. The "I" may be assigned in lieu of a grade only when all of the following conditions are met: (a) the student has been making satisfactory progress in the course; (b) the student is unable to complete all course work or final exam due to unusual circumstances that are beyond personal control and are acceptable to the instructor; and (c) the student presents these reasons prior to the time that the final grade roster is due. The semester credit hours for an Incomplete will not be used to calculate the grade point average for a student. The student and the instructor must submit an Incomplete Form detailing the work required and the time by which the work must be completed to their respective department chair or college dean for approval. The time limit established must not exceed one year. Should the student fail to complete all of the work for the course within the time limit, then the instructor may assign zeros to the unfinished work, compute the course average for the student, and assign the appropriate grade. If a grade has not been assigned within one year, then the Incomplete will be changed to an F, or to NC if the course was originally taken under the CR/NC grading basis.

Grade Appeal Policy: - UT Tyler's Grade Appeal policy requires the completion of a Grade Appeal form for this action to take place. The grade appeal begins with the instructor of your course. If you do not agree with the decision of the instructor, you may then move your appeal to the department chair/school director for that course. If you are still dissatisfied with the decision of the chair/director, you may move the appeal to the Dean of the College offering that course who has the final decision. Grade appeals must be initiated within sixty (60) days from the date of receiving the final course grade. The Grade Appeal form is found on the Registrar's Form Library.
