Student Liability Insurance

If your Field Experience site is the Andrews Center, you do not have to purchase Liability Insurance, as Andrews Center will be covering this expense.

NOTE: A student at UT-Tyler is not under any obligation to purchase a textbook from a university-affiliated bookstore. The same textbook may also be available from an independent retailer, including an online retailer. **Instructor note:** You may also buy older editions of the required textbooks. It is your responsibility to find out which sections are different between editions and to make arrangements for when you need to use a different edition. You may purchase, rent, or borrow any format of the book as well (hard copy, spiral-bound, ebook, audiobook, etc.).

**Technology**

It is recommended that you have access to a personal computer. With enough “legwork”, you can complete this course utilizing public access computers (libraries, labs, etc.)

**You will need to submit some assignments in .doc format. Use of Microsoft Word** is strongly encouraged instead of Apple’s Pages, Google Drive documents, or any other programs. If you do not have Microsoft Word, please visit the following page for instructions for how to download it for free: <https://www.uttyler.edu/it/office365/365-proplus-students.php>

## **E-mail**

Please check e-mail and Canvas **daily** on weekdays. Before asking a question via e-mail, always check the syllabus and recent Canvas announcements first. E-mail me using your patriot mail, **NOT** Canvas inbox messaging. I check e-mail 8-5 on weekdays and usually avoid it in the evenings or weekends. I will do my best to return emails within one business day and I expect a similar turnaround time from you. I get hundreds of emails a week. If you have questions concerning this course, please put PSYC 4370 in the subject line.

### **Course Policies**

#### **Contacting Me**

**Personal meetings.** To meet with me, please attend one of my office hours. I will hold office hours virtually each week at the designated time. Please email me if my office hours do not work and we can schedule another time to meet. You do not have to attend office hours if you do not need the help. The easiest way to get ahold of me is over email.

#### **Make-up and Late Work**

Deadlines and times are firm. Late assignments will not be accepted or awarded any credit.

#### **Structure of Course**

There are two components of this course:

1. Field Experience-You will have to complete at minimum a 150 hour supervised field experience at a mental health related site in the community.
2. Coursework—In addition to your work experience, you will need to complete various assignments and readings. These assignments will be provided on Canvas.

#### **Grading**

This course is a CR/NC course. This means that either you will get credit for this course or you will not. Your site supervisor will complete an evaluation of your work at the end of your experience and turn it into the instructor of this course. You will need to “pass” your evaluation with your site, as well as have a passing (C or better) on your work in the Canvas course modules.

A grade of C is defined as a 70% or higher.

### **Assignments:**

- 1. Site agreement (25 points)**—You must turn in your completed site agreement to the instructor of record by Friday, May 10th. This will need to be signed by the student, site supervisor, and instructor. Failure to complete this by this date means the student will not be allowed to continue with this course and will need to drop this course.
- 2. Weekly quizzes (100 points)**—You will have 10 weekly quizzes that will test your knowledge concerning the reading/text that is used in this course. You will have until Sunday at 11:59pm of each week to complete these quizzes. They will be untimed, and you can use your textbook. If you are enrolled in PSYC 4371, you will not have to complete the weekly quizzes.
- 3. End of Experience Reflection (100 points)**—You will need to complete a 3-5 page reflection of your experience at your site. A rubric/expectations will be provided on CANVAS.
- 4. Weekly Log (50 points)**—At the end of this experience, you will need to turn in a completed weekly log of your time working in the field. This will have to be signed by your supervisor at your site.
- 5. Virtual Intro Seminar (50 points)**—You will watch an online pre-recorded lecture concerning the expectations and requirements of internship. After watching the video you will complete a short questionnaire about what you learned.
- 6. End of semester Review (100 points)**—You will need to schedule a time to meet with me during the last 3 weeks of the semester. During this time, you and I will meet individually and discuss your end of the semester evaluation that your internship site completes for you, and it will be an opportunity to discuss anything that you would like to with me about the internship experience.

**End of semester site supervisor evaluation:** 4 weeks before the semester ends, I will send your site supervisor an evaluation of your work at the site. Your site supervisor will provide feedback of your work, professionalism, etc. Your supervisor will have a say in whether or not you should pass this course. After the semester is over, I will share any information that your supervisor would like to share with you.

### **Grade Replacement/Forgiveness and Census Date Policies**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract. The Census Date is the deadline for any forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refund for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (session changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions for waivers through Financial Aid.

### **State-Mandated Course Drop Policy**

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date). Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

**Disability/Accessibility Services:** In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University of Tyler at Texas offers accommodations to students with learning, physical and/or psychological disabilities. If you have a disability, including non-visible a diagnosis such as a learning disorder, chronic illness, TBI, PTSD, ADHD, or you have a history of modifications or accommodations in a previous educational environment, you are encouraged to visit <https://hood.accessiblelearning.com/UTTyler> and fill out the New Student application. ### **Student Absence for University-Sponsored Events and Activities**

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least 2 weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number.
