CURRENT POSITIONS

- 2017–Present** **OAA Advanced Research Postdoctoral Fellow**
VISN 17 Center of Excellence for Research
Doris Miller VA Medical Center, Waco, Texas
Training Director: Richard W. Seim, Ph.D.
- 2017–Present** **Research Scientist**
Department of Psychology and Neuroscience
Baylor University, Waco, TX
- 2017–Present** **Adjunct Assistant Professor**
Department of Psychiatry and Behavioral Science
Texas A&M University Health Science Center
College of Medicine, College Station, TX

PREVIOUS ACADEMIC APPOINTMENTS

- 2016** **Adjunct Faculty**
Department of Clinical Psychology
Seattle Pacific University, Seattle, WA

EDUCATION AND TRAINING

- 2017** **Ph.D. in Clinical Psychology**
Department of Clinical Psychology, *APA Accredited*
Seattle Pacific University, Seattle, Washington
Advisor: Thane M. Erickson, Ph.D.
- Predoctoral Internship**
University of Mississippi Medical Center / G.V. Sonny Montgomery VA
Medical Center Consortium, *APA Accredited*, Jackson, Mississippi
Training Director: Daniel C. Williams, Ph.D.
- 2014** **M.S. in Clinical Psychology**
Seattle Pacific University, Seattle, Washington

2011

B.A. in Psychology

University of Michigan, Ann Arbor, Michigan

RESEARCH FUNDING
Current**Veterans Integrated Service Network (VISN 17) Center of Excellence for Research on Returning War Veterans Pilot Funds Award**

Title: Eliciting moral elevation in veterans with PTSD and moral injury

Role: Principal Investigator

Period: 3/1/18 – 3/1/19

Total Costs: \$10,000

Submitted**VA Small Projects in Rehabilitation Research (SPiRE) Award**

Title: Using moral elevation to improve functioning in veterans with PTSD and moral injury: A pilot study of a web-based intervention

Role: Principal Investigator

Period: 10/1/19 – 9/30/22

Proposed Total Costs: \$199,796, under review

Pathways to Character Project, Templeton Foundation

Title: Character growth in veterans following PTSD treatment: Expanding gratitude and prosocial behaviors (letter of intent proposal; 2017)

Role: Principal Investigator

Proposed Total Costs: \$88,500, not funded

PRESENTATIONS

Peer-Reviewed Presentations

1. Carr, R., Freed, S., McKinnon, M., Nash, W., & **McGuire, A. P.** (2018, November). In S. Frankfurt (chair). *Military psychologists and neuroscientists in conversation: Conceptualizing the core affective processes of combat trauma*. Panel to be presented at the International Society for Traumatic Stress Studies 34th Annual Meeting, Washington, DC.
2. **McGuire, A. P.**, Anderson, L. M., & Connolly, K. M. (2018, November). *Self-disgust mediates the relation between trauma-related self-blame and PTSD symptoms in veterans*. Poster to be presented at the 52nd Annual Convention of Association for Behavioral and Cognitive Therapy, Washington, D.C.
3. **McGuire, A. P.**, Nosen, L., & Lyons, J. A. (2018, November) *The benefits of moral elevation on PTSD treatment outcomes in a group residential program*. Paper to be presented at the International Society for Traumatic Stress Studies 34th Annual Meeting, Washington, DC.
4. **McGuire, A. P.**, Nosen, L., & Lyons, J. A. (2017, November). *The impact of feeling uplifted and inspired by fellow group members in PTSD residential treatment: A pilot study of the role of moral elevation*. Poster presented at International Society for Traumatic Stress Studies 33rd Annual Meeting, Chicago, IL.
5. Kramarevsky, O. L., **McGuire, A. P.**, Tingey, J. L., & Erickson, T. M. (2016, October). *Compassionate goals and social support predict lower PTSD symptoms in the context of proximity to a mass trauma*. Poster presented at 50th Annual Convention of Association for Behavioral and Cognitive Therapy, New York, NY.
6. McNeil, T., **McGuire, A. P.**, Lewis, J., & Erickson, T. M. (2016, October). *A longitudinal investigation of the contrast avoidance model across eight weeks*. Paper presented at the 50th Annual Convention of Association for Behavioral and Cognitive Therapy, New York, NY.
7. Tingey, J. L., **McGuire, A. P.**, Kramarevsky, O.L., & Erickson, T. M. (2016, October). *Fostering posttraumatic growth following a school shooting: Impact of interpersonal processes and moral elevation*. Poster presented at 50th Annual Convention of Association for Behavioral and Cognitive Therapy, New York, NY.

8. McNeil, T., Patton, K., **McGuire, A. P.** (2016, April). *Impact of worry motives on negative emotion and somatic symptoms*. Poster presented at 96th Annual Western Psychological Association Convention, Long Beach, CA.
9. **McGuire, A. P.** & Erickson, T. M. (2015, November). *The role of intolerance of uncertainty and worry motives on seeking information in GAD versus nonanxious college students*. Poster presented at 49th Annual Convention of Association for Behavioral and Cognitive Therapy, Chicago, IL.
10. Scarsella, G. M., **McGuire, A. P.**, Kramarevsky, O., Erickson, T. M., & Abelson, J. L. (2015, November). *Anxiety and depression differentially predict self-referential language during a social stress task*. Poster presented at 49th Annual Convention of Association for Behavioral and Cognitive Therapy, Chicago, IL.
11. Erickson, T. M., Scarsella, G., **McGuire, A. P.**, McNeil, T., & Lewis, J. (2015, June). *A different type of elevation: Field experiments inducing moral elevation to shift daily interpersonal goals*. Paper presented at the annual meeting of the Society for Interpersonal Theory and Research, Toronto, ON.
12. **McGuire, A. P.**, Murphy, K. M. Erickson, T. M., & DeSimone, J. (2015, April). *Benefits of expressing gratitude during the best and worst events*. Paper presented at the Western Psychological Association 95th Annual Convention, Las Vegas, NV.
13. Erickson, T. M. Scarsella, G., **McGuire, A. P.**, Abelson, J. L., Lopez-Duran, N. L., Mayer, S. E., Briggs, H., & Liberzon, I. (2014, November). *Mediators of cognitive goal intervention on stress hormones during a social stress task: The role of perceived moral purity and social affiliation*. Poster presented at 48th Annual Convention of Association for Behavioral and Cognitive Therapy, Philadelphia, PA.
14. Redfield, C., Erickson, T., Aust, M., Jay, J., **McGuire, A. P.**, Lin, A., Orton, V., & Pedersen, L. (2014, October). *Changes across social interactions between nursing students and older adults*. Paper presented at the 7th Annual University of New Mexico Mentoring Conference, Albuquerque, NM.
15. Murphy, K. M., **McGuire, A. P.**, & Erickson, T. M. (2014, April). *Testing gratitude as a moderator of health anxiety outcomes in a longitudinal design*. Poster presented at 35th Annual Meeting of Society of Behavioral Medicine, Philadelphia, PA.
16. Scarsella, G., Erickson, T. M., **McGuire, A. P.**, & Maddox, A. (2013, November). *Field experiments using daily video-based exercises to elicit moral elevation and positive affect*. Paper presented at the 49th Annual Convention of Association for Behavioral and Cognitive Therapy, Nashville, TN.
17. Erickson, T. M., Abelson, J. L., Scarsella, G., **McGuire, A. P.**, Maddox, A., & Crocker, J. (2013, June). *Eliciting compassionate goals in a lab-based stress task and field experiments of moral elevation: Beneficial effects on cortisol and positive psychological states*. Paper presented at the 3rd Annual World Congress on Positive Psychology, Los Angeles, CA.
18. Erickson, T. M., Maddox, A., Scarsella, G., & **McGuire, A. P.** (2013, April). *YouTube as emotion science: Field studies testing daily internet videos to manipulate social goals and affect*. Poster presented at Annual Conference of the Anxiety and Depression Association of America, San Diego, CA.
19. **McGuire, A. P.**, Tree, H. A., Waldron-Perrine, B., Spencer, R. J., Pangilinan, P. H., & Bieliauskas, L. A. (2011, November). *The influence of mood and anxiety symptoms on effort*

test performance in a VA polytrauma TBI clinic. Poster presented at 31st Annual Conference of the National Academy of Neuropsychology, Marco Island, FL.

20. Tree, H. A., Waldron-Perrine, B., Spencer, R. J., **McGuire, A. P.**, Na, S. D., Pangilinan, P. H., & Bieliauskas, L. A. (2011, November). *The influence of sleep on effort test performance in a VA polytrauma TBI clinic.* Poster presented at 31st Annual Conference of the National Academy of Neuropsychology, Marco Island, FL.
21. Waldron-Perrine, B., Tree, H. A., Spencer, R. J., **McGuire, A. P.**, Na, S. D., Pangilinan, P. H., & Bieliauskas, L. A. (2011, November). *Associations between psychiatric symptomatology and neuropsychological functioning in a VA polytrauma/TBI clinic.* Poster presented at 31st Annual Conference of the National Academy of Neuropsychology, Marco Island, FL.
22. **McGuire, A. P.**, Spencer, R. J., Drag, L. L., Walker, S. J., Pangilinan, P. H., & Bieliauskas, L. A. (2011, February). *Effort drives the association between self-reports of cognitive function and neuropsychological test performance among returning combat veterans.* Poster presented at 39th Annual Conference of the International Neuropsychological Society, Boston, MA.
23. Neumann, M. R., Spencer, R. J., Tree, H. A., Pangilinan, P. H., **McGuire, A. P.**, & Bieliauskas, L. A. (2011, February). *Sleep deprivation has a small effect on memory among veterans being evaluated for mild traumatic brain injury.* Poster presented at 39th Annual Conference of the International Neuropsychological Society, Boston, MA.

Invited Talks

1. **McGuire, A. P.** (2018, February). *The role of moral elevation in PTSD and moral injury: Potential for integration into individual and group therapy.* 3rd Annual Texas Veteran Mental Health Symposium, Round Rock, TX.
2. **McGuire, A. P.** (2018, March). *Integrating prosocial emotions and mental health care: An introduction and discussion of case examples.* Veterans One Stop, Waco, TX.

Departmental Talks

1. **McGuire, A. P.** (2017, November). *Postdoctoral fellow career goals and contributions to the Center of Excellence.* VISN 17 Center of Excellence Veterans Affairs Central Office Annual Site Visit, Waco, TX.
2. **McGuire, A. P.** (2017, October). *Examining the role of moral elevation in Veterans with PTSD and moral injury.* Veteran Council to Evaluate Research Relevance in the Veteran Community, Waco, TX.
3. **McGuire, A. P.** (2016, September). *Positive emotions and subsequent interpersonal processes in depression, anxiety, and related disorders.* Mississippi Consortium Department Rounds, Jackson, MS.

RESEARCH EXPERIENCE

2017–Present **Postdoctoral Research Fellow**
 VISN 17 Center of Excellence for Research on Returning War Veterans

Designed experimental study to test emotional, cognitive, and physiological responses to moral elevation stimuli in veterans with PTSD and moral injury.

Research Preceptor: Michael Russell, Ph.D.

2016–2017

Predoctoral Intern, Researcher

G.V. (Sonny) Montgomery VA Medical Center

Implemented novel measure to assess moral elevation during group therapy in PTSD and SUD residential programs and collected data for pilot studies.

Research Preceptor: Judith Lyons, Ph.D.

2012–2016

Graduate Research Assistant & Laboratory Manager

Seattle Pacific University, Clinical Psychology Department

Developed research protocols and managed recruitment for a community-based treatment study for anxiety disorders.

Principal Investigator: Thane Erickson, Ph.D.

2010–2012

Research Assistant

Ann Arbor VA Healthcare System, Polytrauma Clinic

Developed IRB proposals and collected data for studies on cognitive and emotional effects of mild traumatic brain injury in OEF/OIF Veterans.

Principal Investigator: Linas Bieliauskas, Ph.D.

2010

Researcher, *Evaluation of a Jail Diversion Program and Use of Contingency Management*

University of Michigan, Psychology Department

Developed and evaluated a contingency management program that was implemented in the Genesee County Mental Health Court.

Supervisor: Mark Creekmore, Ph.D.

2010

Research Assistant

Ann Arbor VA Healthcare System

Assisted with research projects that evaluated treatment methods for substance use disorders and associated risks for suicide.

Principal Investigator: Mark Ilgen, Ph.D.

2010

Research Assistant

University of Michigan, Depression Center

Assisted with a study that examined a treatment for pregnant women experiencing depressive symptoms.

Principal Investigator: Heather Flynn, Ph.D.

RESEARCH SUPERVISION EXPERIENCE

2018–Present

Baylor Undergraduate Research Supervisor

VISN 17 Center of Excellence for Research on Returning War Veterans

Supervise premedical and psychology undergraduate students completing an undergraduate research internship.

SPR 2016

Adjunct Faculty for Erickson Research Team

Department of Clinical Psychology, Seattle Pacific University

Research: Undergraduate poster submission and presentation; Graduate students' master's thesis and final presentation; Dissertation IRB proposal.

Other: Managed recruitment for projects; Facilitated weekly meetings; Assisted in resolving student concerns and conflicts with other faculty.

TEACHING EXPERIENCE

SPR 2015/2016

Research Methods & Statistics III: Multivariate Analyses (CPY 7033)

Position: Lead Graduate Teaching Assistant (2 sections)

Department of Psychology, Seattle Pacific University

WIN 2015/2016

Research Methods & Statistics II: Regression (CPY 7032)

Position: Lead Graduate Teaching Assistant (2 sections)

Department of Psychology, Seattle Pacific University

AUT 2015

Psychometrics / Theory of Test Construction (CPY 7010)

Position: Lead Graduate Teaching Assistant

Department of Psychology, Seattle Pacific University

AUT 2014/2015

Research Methods & Statistics I: Analysis of Variance (CPY 7031)

Position: Lead Graduate Teaching Assistant (2 sections)

Department of Psychology, Seattle Pacific University

SUM 2014/2015

Statistical Methods (CPY 7020)

Position: Lead Graduate Teaching Assistant (2 sections)

Department of Psychology, Seattle Pacific University

WIN 2013

Psychological Disorders (PSY 3360)

Graduate Teaching Assistant

Department of Psychology, Seattle Pacific University

AUT 2013

Counseling Theory and Practice (PSY 4470)

Graduate Teaching Assistant

Department of Psychology, Seattle Pacific University

CLINICAL EXPERIENCE

Postdoctoral

2018

Study Therapist

VISN 17 Center of Excellence for Research, Waco, TX

IMPACT Treatment Study

Individual therapy with adapted Acceptance and Commitment Therapy (ACT) protocol to target functional recovery in veterans with comorbid PTSD, substance use, chronic pain, and traumatic brain injury.
Supervisors: Eric Meyer, Ph.D. & Robyn Walsler, Ph.D.

Internship

2016–2017

Predoctoral Intern

University of Mississippi Medical Center, Jackson, MS

Adult Inpatient Unit

Individual DBT skill sessions for interpersonal effectiveness, emotion regulation, and distress tolerance; Co-facilitated motivational interviewing inpatient group to increase readiness to change alcohol/substance use.

Supervisors: Courtney Bagge, Ph.D. & Daniel Williams, Ph.D.

G.V. Montgomery VA Medical Center, Jackson, MS

Addiction Disorders Treatment Program

Individual therapy using CBT-SUD protocol; Facilitated and developed new curriculum content for mindfulness group therapy.

Supervisor: Andrew Voluse, Ph.D.

Neuropsychology

Neuropsychological assessments regarding dementia, cognitive impairment, differential diagnosis, and pre-surgical evaluations.

Supervisor: Ted Bennett, Ph.D.

Evidence Based Psychotherapy Team

Provided EBPs for outpatient services: PE, CPT, CBT for anxiety and depression; Utilized telemedicine for rural-based Veterans.

Supervisors: Jeanne Gabriele, Ph.D. & Lauren Graves, Ph.D.

Trauma Recovery Program

Co-facilitated residential groups including CBT-SUD, DBT, and PE; Provided individual PE; Member of integrated team, assisted with policy development.

Supervisors: Judith Lyons, Ph.D. & Elizabeth Nosen, Ph.D.

Graduate

2015–2016

Advanced Clinical Practicum Intern, Family Medicine Residency

Swedish Medical Center, Seattle, WA

Outpatient, individual psychotherapy; Utilized time-limited interventions during primary care visits; Provided behavioral health consultation and collaborated with healthcare providers.

Supervisor: Sarah Welton, Ph.D.

2014–2016

Clinical Psychology Practicum Intern

Sound Mental Health, Seattle, WA

Completed psychological assessments for differential diagnosis, cognitive impairment, and school-based referrals; Created and

facilitated group therapies for positive psychology, anxiety, depression, and stress management.

Supervisors: Allen Hume, Ph.D. & Maria Chan, Ph.D.

2014–2016

Study Therapist and Assessor

Treatment for Anxiety and Depressive Disorder Study, Seattle, WA
Administered ADIS to screen for study eligibility; Co-facilitated Unified Protocol for Transdiagnostic Treatment of Emotional Disorders (group format).

Supervisor: Thane Erickson, Ph.D.

Pre-Graduate

2011–2012

Psychiatric Care Worker, Adult Inpatient Unit

University of Michigan Health Systems, Ann Arbor, MI

Provided patient monitoring, assessment, and care planning.

2010–2012

Lead Peer Health Coach, Center for Health Communication Research

University of Michigan, Ann Arbor, MI

Provided Motivational Interviewing for a smoking cessation intervention.

Supervisors: Lawrence An, M.D. & Shannon Considine, M.S.W.

2010–2011

Psychology Practicum Student, Polytrauma Clinic

Ann Arbor VA Healthcare System, Ann Arbor, MI

Neuropsychological assessments for traumatic brain injury screen;

Provided test performance feedback to Veterans and physicians.

Supervisor: Linas Bieliauskas, Ph.D.

2009

Undergraduate Psychology Intern

Genesee County Community Mental Health, Flint, MI

CLINICAL SUPERVISION EXPERIENCE

WIN 2017

Screening, Brief Intervention, and Referral to Treatment (SBIRT)

Adult Inpatient Unit, University of Mississippi Medical Center

Supervised medical students in the administration of SBIRT for substance use; Coaching, feedback, and competency ratings.

SPR 2016

Adjunct Faculty for Erickson Research Team

Department of Clinical Psychology, Seattle Pacific University

Advised graduate students conducting diagnostic interviews;

Determined treatment study eligibility; Supervised graduate students managing treatment study.

SUM 2015

Behavioral Health Residency Training

Swedish Family Medicine, Ballard Behavioral Health

Topics: Motivational Interviewing; Gratitude

Training Objectives: (1) Learn how to utilize MI with patients through brief presentations and role-play sessions; (2) Understand how gratitude relates to behavioral health.
