

FRIDAY, OCT 6, 2023

Attacking the T-TESS One Activity at a Time

with **Dr. Sharon Rice**

Keynotes – Professional Development - Presentations

Dr. Sharon Rice is starting her 34th year in public education, spending 27 years in the public-school systems of East Texas and the last six at her alma mater, Stephen F. Austin State University, preparing PETE Students. Sharon is beginning her 7th year at SFASU, where her primary focus is preparing her students to enter the teaching profession. She meets many of her students at Freshman Orientation and is with them through their final semester; she was recently named Outstanding Field Supervisor. Sharon joined TAHPERD in 2017 and has made it a goal to present at every face-to-face conference she attends. She received her EdD from Capella University in 2021 and was promoted to Assistant Professor at SFA. Sharon has been named TAHPERD College/University Physical Education Teacher of the Year and will be recognized at TAHPERD 100th Annual Convention in December. She encourages her students to volunteer with her to serve East Texas families through the local food pantries and foster family groups. She has presented at the national, state, and local levels and has published four articles in different physical education journals. However, Sharon's most cherished accomplishments are being married to her husband, Brady, for 30+ years and being the mom to Katelyn, Grant, and John and the Nana to her only grandchild, Bryant.
