2. Explain and demonstrate knowledge of UT Tyler athletic training policies and procedures to incoming athletic training students.
3. Demonstrate proficiency with crutch and brace fitting
4. Demonstrate knowledge of the theory behind use of therapeutic modalities.
5. Effectively prepare an athletic training room budget and inventory.
6. Demonstrate knowledge of how to design an athletic training room.
7. Demonstrate knowledge of blood born pathogens.

### **ATTENDANCE POLICY**

Attendance is mandatory!!! Students are expected to attend all weekly seminars and scheduled clinical experience hours. All absences will be considered unexcused unless approved by the professor or an Approved Preceptor. Students are allowed no more than three unexcused absences.

### **GRADING STRUCTURE**

Grading for this course is based off of an A-F scale, and will be judged off of completion of all assigned proficiency worksheets, as well as scoring on said worksheets and terminology assignments. Each assignment will carry an equal weight, and will be graded on a 100 point scale.

Proficiencies: 16 x 5 points = 80 points

Proficiency Completion: 200 points

Anatomy Assignments: 4 x 10 points = 40 points

Quizzes: 12x10 points = 120 points

Discussion Posts: 3x20 = 60 points

Final: 100 points

Total = 600 points

### **PROFICIENCY CARDS**

Following weekly lectures, students will be expected to complete the designated portion of their proficiency card, that will require initials of a peer, and initials and scores from an approved preceptor within the athletic training clinic. These assignments will test comprehension and retention of skills and information obtained through weekly lecture, as well as give students an opportunity to demonstrate their proficiency to the staff members of the athletic training department. If deadlines are not met for proficiencies as listed, students will be only be able to receive a maximum of a 3 on those proficiencies. **Please note that your clinical preceptors and staff members will be under express instructions to not sign off on any proficiencies if you do not have a copy of your own CPAT.**

### **ANATOMY ASSIGNMENTS**

There will be 4 anatomy assignments distributed throughout the course of the semester. Students will be required to label diagrams of various parts/regions of the body. Any evidence of plagiarism, cheating, or collaboration will result in a grade of 0 on the assignment. Two cases of cheating will result in a conversation with the department chair about further consequences.

### **ATTENDANCE**

Please not that tardiness and no shows will also be counted regarding practice coverage. 1 no show or 3 tardies to practice with result in 10 points being deducted from your attendance grade. It is important to know that you can receive a negative attendance score.
