- 20% Final Exam (cumulative)

Grading will be based on the following scale:

- A** = 89.5 – 100%
- B** = 79.5 – 89.4%
- C** = 69.5 – 79.4%
- D** = 59.5 – 69.4%
- F** = < 59.5%

Canvas Work: This lecture is a completely online course, so all recorded videos and assignments will be on Canvas. All posted assignments are meant to be completed by their due date. These include quizzes, One Sentence Response assignments, various other assignments, and all posted readings. Articles, links, and videos found on Canvas are there for a reason; I expect you to read and/or watch them!

All lecture videos are required, even if they don't have a quiz attached to them. Make sure to stay on top of your material!

Course Policies and Expectations:

Professionalism: Students are expected to maintain a professional & positive attitude on Canvas and during all communications with the instructor and their fellow classmates. Make sure any comments you make are respectful, and any feedback given is positive or constructive in nature. Basically, follow the golden rule: treat others the way you would like to be treated.

Participation: Students are expected to watch all posted lecture videos, and are responsible for completing all posted assignments. Your success in this class will depend on the effort you put forth.

Missed class: Online lecture material will be posted on Canvas and will remain available until the Final Exam. If you miss an assignment, read the next paragraph.

Make-up: All online assignments have firm due dates. You'll have access to these for at least three days prior to the due date. If you need an extension on ANY assignment other than the Final Exam, fill out the "Extension Request" located on our Canvas "Modules" page. Based on your request, I will contact you with more information or recommendations. **You must complete this request before the assignment in question is due.** Generally speaking, extension requests will be granted... however, if you've filed several of these, I might contact you to discuss a plan of action, or to ask what's up. You'll know that an extension request has been granted when the assignment due date is extended for you.

Please do not email the instructor assignments and/or projects unless otherwise asked to. A missed exam without a prior excuse receives an automatic zero.

Participation: Students are strongly encouraged to ask, and respond to, questions in class; this student/instructor interaction makes for a more interesting class overall, and facilitates better learning. You may (and are encouraged to) work in groups to complete all homework and assignments. However, the work that you hand in is expected to be original and to be your own. **Any** act of cheating or plagiarism will result in a grade of zero for that assignment. (This means *put everything in your own words!*) Depending on the extent, any incidence of cheating or plagiarism may result in dismissal from the course, and further discipline by the university.

Tech: It is expected that each student is proficient in the use of Microsoft Office (Word, PowerPoint, Excel) or Apple iWork (Pages, Keynote, Numbers). You will be required to use these applications extensively in this class. If you do not know how to use these applications, seek help from Computer Services or similar assistance. All written work must be legible.

This class uses Canvas **extensively**. Make sure you are familiar with Canvas and our course in particular. Announcements will be sent to your Patriots e-mail account, so check it frequently.

Other: I'm not planning to hold any synchronous lecture meetings (no live Zoom sessions), so you are free to watch the lecture content whenever you have time, and in any location. If you ever have questions about the lecture content, or this class in general, just email me.

GRADE REPLACEMENT/FORGIVENESS AND CENSUS DATE POLICIES

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Spring, the Census Date is January 29.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (January 29th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Schedule adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

STATE-MANDATED COURSE DROP POLICY

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

STUDENT ABSENCE FOR UNIVERSITY-SPONSORED EVENTS AND ACTIVITIES

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
