## Course Policies

Professionalism: Students are expected to arrive on time for class. It is expected that students will display a professional attitude at all times, including being attentive during lectures and being respectful to the instructor and fellow classmates.

Attendance: Students are expected to attend all classes and are responsible for any material missed. Attendance will be taken regularly; participation is necessary to learn hands-on skills. If you leave immediately after taking a quiz or before beginning an activity without explanation, you will be counted as absent.

Missed class: Students who miss class, regardless of the reason, are expected to take the initiative to obtain notes from a fellow student who attended that class. Zoom meetings will be recorded (if possible) so that any student that could not attend the meeting will be able to see the recording.

Make-up: All online assignments have firm due dates. You’ll have access to these for at least three days prior to the due date. Any physical/on-paper work turned in **more than one week after the date it is due** will receive a **zero** for a grade. (Ex: An assignment is due on the 1<sup>st</sup>; you turn it in on the 7<sup>th</sup>, it will be graded as normal. You submit it on the 9<sup>th</sup>, the assignment will not be graded, you will receive a zero.)

If you need an extension on ANY assignment other than written or practical exams, fill out the “Extension Request” located on our Canvas “Modules” page. Based on your request, I will contact you with more information or recommendations. You must submit this request at least three hours *before* the assignment in question is due.

Please do not email the instructor assignments and/or projects unless otherwise asked to. A missed exam without a prior excuse receives an automatic zero. An excused, missed exam must be taken before the next class (arrange with instructor).

Participation: Students are strongly encouraged to ask, and respond to, questions in class; this student/instructor interaction makes for more interesting class sessions and facilitates better learning. Dressing appropriately for the activities of the class counts as participation. If your clothing prohibits you from taking part in the day’s activities, you will be counted as absent. Useful clothing on activity days:

- Tennis shoes / active shoes
- Exercise-appropriate tights, leggings, shorts, sweatpants, joggers, shorts
- Sports-appropriate undergarments (shorts under sweatpants)

Canvas and E-mail: Canvas will be used **EXTENSIVELY** in this class. Important class resources including the syllabus, lecture slides, grades, announcements, external links, assigned readings, study guides, and other assignments or materials will be distributed through Canvas, so consult it frequently. Announcements will be sent to your Patriots e-mail account so check it frequently, too. (Note: The instructor will not send any e-mails to private accounts.)

I try to answer all emails as quickly as possible, but I cannot promise to answer every email that I receive. If your email requires an answer and you have not received one from me, please check your spam folder first, then talk to me during class. I will not answer emails asking for a grade calculation. Canvas is already set up to calculate your grade.

Mobile Devices: Cellphones must be turned to “off” or to “silent/vibrate only” during class meetings; phones will be used exclusively looking up requested information, or for timing or videoing when working with a “client” or “patient.” If you are expecting a call during class, please let me know before class begins.

Laptops and iPads are okay to use in class, but only for taking notes. If I notice you doing anything un-related to the class, you will be asked to not bring your device to class anymore.

Class distractions: This is an active class. It’s *your* responsibility to ensure that you aren’t distracting other students or the instructor. This includes talking to neighbors during lectures or discussions, eating, texting, checking e-mail, surfing the web, etc. If everyone is working on a lab activity, stay focused and get it done!

Handouts: The term "handouts" refers to all materials generated for this class, which include but are not limited to syllabi, quizzes, exams, PowerPoint slides, outlines, lab problems, in-class materials, review sheets, and additional problem sets.

Class recordings are reserved only for the use of students enrolled in the course and only for educational purposes. Course recordings should not be shared outside of the course in any form without express permission.

### **GRADE REPLACEMENT/FORGIVENESS AND CENSUS DATE POLICIES**

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. (For Spring, the Census Date is January 29.) Grade Replacement Contracts are available in the Enrollment Services Center or at <http://www.uttyler.edu/registrar>. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date (January 29th) is the deadline for many forms and enrollment actions of which students need to be aware. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)

- Schedule adjustments (section changes, adding a new class, dropping without a “W” grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

### **STATE-MANDATED COURSE DROP POLICY**

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

If you require assistance during an evacuation, inform your instructor in the first week of class. Do not re-enter the building unless given permission by University Police, Fire department, or Fire Prevention Services.
