- **Courses are recommendations; multiple options exist within the noted core component area. Please consult the catalog or your advisor for a list of additional courses acceptable for that core component.
- The listed prices do not include books or cost of additional needed programs. Cost is subject to change.
- Total credit hours must equal at least 120. Students must complete 30 hours or more in residence at UT Tyler; 42 hours must be upper-division coursework.
- Consult with your advisor for additional information on degree requirements and schedule planning. This is only a recommended outline. Because degree requirements and course offerings do change, you should consult an advisor as well as the University Catalog, which is the only official document regarding degree requirements.
