Grading Scale:

Specific guidelines and grading criteria for all assignments are in the Modules. Final grades for the course will be determined based upon the following point assignments:

- A - 90-100
- B - 80-89
- C - 70-79
- D - 60-69
- F - Below 60

Grades will not be rounded when calculating the average (79.5 is not rounded to 80, and 89.5 is not rounded to 90). Students are required to achieve an average of 80% (B) to complete the course successfully.

Although the university policy allows 60 days for grade appeals, the School of Nursing follows a stricter timeline of 10 days to facilitate students' timely progression through the curriculum. In the case of extenuating circumstances, please consult the Associate Dean of Academic Affairs for guidance.

Academic Integrity: Cheating of any kind, as defined in Section 8 of the UT Tyler Manual of Policies and Procedures (MOPP) for Student Affairs (<https://www.uttyler.edu/mopp/>), will not be tolerated. Consequences may include:

- reprimand
- exam failure
- course failure
- expulsion from the Nursing program
- expulsion from the University

other consequences as assigned

Exam and homework materials, questions, and problems are the intellectual property of faculty, UT Tyler, or publishers.

- These materials may not be distributed without permission.
- Distributing or uploading them to online resources destroys the integrity of the assignment and the course, allowing others an unfair advantage by letting them view the materials.
- Uploading these materials to online resources is a violation of UT Tyler's academic misconduct policies and may result in formal conduct charges.
- Sanctions for uploading or otherwise divulging the contents of these materials can include:
 - a reduced or failing grade on an assignment
 - a reduced or failing grade for the course
 - removal from the Nursing program
 - removal from UT Tyler

Late Policy: 5% will be deducted each day an assignment is past due unless prior arrangements have been made with your course faculty. Extenuating circumstances may apply.

Repeating a Course: Students repeating this course may not use previously submitted assignments nor utilize the same patients for an assignment. Submitting the same or slightly modified assignments from previous semesters is considered self-plagiarism and is subject to academic discipline, including failing the assignment or the course.

Attendance and Make-up Policy: Attendance/participation is expected. Make-up for exams, quizzes, assignments, and missed clinical time is at the instructor's discretion.

Graded Course Requirements Information:

Module 1: This online discussion will provide us the opportunity to explore the meaning of nursing scholarship particularly in the context of research. You will also identify your research topic and draft a research trajectory statement.

Module 2: You will complete the Responsible Conduct of Research (RCR) Training, which will introduce research ethics. We will meet with the librarian and review database searches. You will complete a search for articles related to your topic using limiters and create a reference list using APA format.

Module 3: You will evaluate a research article and create an evidence table reflecting your critique.

Module 4: You will create an evidence table for research articles pertinent to your research topic.

Module 5: You will critique a journal article submitted for publication, compare your critique with that of journal reviewers, and reflect on the process.

Module 6: You will make revisions based on faculty feedback, add more articles to your evidence table. You will create three synthesis tables based on the findings on the evidence tables.

Module 7 – Part 1: You will draft, and outline the background and significance section of a research proposal based on literature located to date. You will review a buddy's paper, provide scholarly feedback and based on the feedback make appropriate revisions.

Module 7 – Part 2: Using your evidence and synthesis tables, you will write a synthesis paragraph summarizing one aspect of what you have learned about your topic.

Module 8: You will search for possible funding for your research, share what you learned on a Discussion Board and provide alternate funding ideas for your colleagues.

Module 9: Based on what you learned about your topic, you will create a scholarly PowerPoint presentation and share it real-time with your colleagues and faculty.

Please Note: Detailed information along with grading rubrics for course assignments will be provided in Canvas.

UT Tyler School of Nursing Justice, Equity, Diversity and Inclusion Statement:

The University of Texas at Tyler School of Nursing aspires to create, foster, and sustain a culture of justice, equity, diversity, and inclusion irrespective of one's identity. We value and embrace all backgrounds, experiences, and identities, realizing that no one group, person or perspective has all the answers. We are richer when our individual skills, knowledge, experiences, cultures, backgrounds, and identities are combined in an accepting community. We strive to ensure that every individual gets a fair and equal chance to participate and thrive in a nurturing environment where all feel a sense of belonging. We are committed to intentionally and deliberately creating a diverse community that instills a sense of equitable justice and belonging for everyone affiliated with our school.
