

4.2 *First Day of Class Attendance*

(Reviewed 6/12/2022)

Students must have all holds and appeals resolved before the first day of class each semester. Not being able to attend the first day of class and/or the first week of class, which may include clinical hours, puts the student at an increased risk of being unsuccessful. Students can return the following semester the course is offered as long as they can attend the first-class day/week.
