NURSING INFORMATICS, QUALITY & SAFETY
POST BACCALAUREATE CERTIFICATE

UTTyler SCHOOL OF NURSING

Successful completion of 12 semester credit hours is required for the post-baccalaureate Nursing Informatics certificate. These courses will be listed on the official university transcript and a certificate of completion will be awarded.

To meet the requirements for taking the board certification examination in Nursing Informatics, the optional NURS 5389 course must be taken and a 200 hour experiential project completed.
