

The University of Texas at Tyler
School of Health Professions
Department of Rehabilitation Sciences

Master of Science in Speech-Language Pathology
Program of Study

The UT Tyler SLP graduate program is a full-time and 100% residential. The following program of study is designed for completion within 2 consecutive years consisting of 5 semesters (fall, spring, summer, fall, spring). The program of study consists of 54 graduate credit hours (45 academic hours, and a maximum of 9 practicum credit hours). Students can enroll in the Advanced Practicum course more than once to complete their 400 hours; however, no more than 9 practicum hours can be counted for credit.
