	Total: 15		Total: 15

ADN / BSN CONCURRENT ENROLLMENT NOTICE

In order to progress to the next level in the ADN-BSN program, you must show proof of progression within your ADN program. If you are unsuccessful in or withdraw from ANY course within your ADN or BSN degree plan, you must notify your academic advisor immediately. You will be withdrawn from the concurrent ADN-BSN program to focus solely on your ADN program, and any BSN credits earned to that point can be applied toward UT Tyler's RN-BSN program once you earn your RN license.

Notes:
