

UTTyler™ ACADEMY OF DISTINGUISHED TEACHERS

Academy Mentoring Program (AMP)

The University of Texas at Tyler Academy of Distinguished Teachers' (ADT) Academy Mentoring Program (AMP) is a formal mentorship program. The goal of AMP is to promote teaching excellence at the undergraduate and graduate level. AMP Mentees are paired with ADT Faculty Fellows from various academic disciplines who serve as Mentors in teaching excellence. The mentor-mentee relationship is one of advocacy for teaching excellence, classroom innovation, and best practices; through shared opportunities of discovery, teaching, and learning.

AMP program mentor-mentees meet throughout the Fall and Spring term as predetermined meetings times/locations. There are options for in-person and virtual meetings.

Acceptance each academic year is limited.

Nominees may submit the attached application between August 1 – 31st, emailed to:

Academy@uttyler.edu

Acceptance decisions are announced on or before the second Wednesday of September. Programming begins thereafter.
