

SECTION 22

ACCIDENTS / INJURIES / SEVERE ILLNESS ON CAMPUS

During events, accidents, injuries, or serious illnesses can occur. In the event of any accident, injury, or serious illness involving anyone on campus during an event, the University Police Department should be immediately notified at 903.566.7300. An officer will respond to assess the situation and notify emergency services. If the situation is life-threatening, dial 911. They will dispatch University Police and other emergency services.

Once the situation is under control, paperwork will need to be completed to document the incident and begin a cause investigation.

- For injuries involving a student or visitor on campus, complete the [Student and Visitor Report of Injury form](#) or contact safety@uttyler.edu.
- For injuries/illnesses involving an employee performing duties related to their job during an event on campus, the employee, visit [Human Resources' Worker's Comp / Work-Related Injury Information and Forms Webpage](#).
