COURSE DESCRIPTION

This class is a lab that supports the learning for ENGL 1301. Students must be simultaneously enrolled in ENGL 1301. As a lab, the course meets once a week to provide additional instruction for students who are not TSI eligible. The class will focus on developing effective writing practices, strengthening grammar and mechanics, and providing an additional support for the assignments in ENGL 1301.

GRADE COMPUTATION

The course grade is based on student engagement. Engagement is:

- being prepared by having done whatever reading and writing are due in 1301 and whatever supplemental work is assigned
- · engaging in class discussions and workshops
- attending all lab sessions
- completing weekly reflection surveys

Engagement is graded on a full credit/no credit basis (complete/incomplete in Canvas). At the end of the semester, the percent of full credits that you earned will be used to calculate your course grade.

COMMUNICATION WITH INSTRUCTOR

The best way to contact me is via UTT email or Canvas message. Per the <u>UT Tyler email policy</u>, which stipulates that "the Patriot Email account serves as the communication source for all UT-Tyler learning management systems," I will not reply to emails sent from non-UTT email addresses. The same policy is applied to **Zoom office hours and conferences.** While you can use any device (iPad, computer, or your phone), **you must use your UT- Tyler credentials/patriots account.** If you are not familiar with Zoom, you can use <u>Canvas 101</u> which offers Zoom tutorials and guidelines on how to use Canvas.

Additionally, be sure that every email related to the course has "ENGL 1200" + your section and your full name in the subject line. This applies especially if your email address does not include your name. Although I check my email regularly even on weekends, please do not expect to receive a reply to weekend emails (those sent between late afternoon Friday and Monday morning before 8:00 a.m.). If an issue legitimately requires immediate attention, please mark it "URGENT" in the subject line (along with "ENGL 1200).

Finally, emails should be written in a somewhat formal style and tone—full sentences, reasonably correct grammar, and a succinct overview of the topic. So, less formal than the style you would use in a paper and more formal than the style you would use in a text to your friends. I will not respond to emails without a proper professional address.

COURSE ACTIVITIES/CALENDAR AND Q & A

Due to the purpose of this lab described above, there is no set calendar. I will use announcements as a weekly class calendar. I will introduce the activities/material we are going to cover for each class meeting several days before our lab meets. These class activities/materials will address students' needs based on their areas of concern in ENGL 1301.

To identify those areas, I will stay in contact with 1301 teachers. Also, I will expect you to take an active role in developing the schedule by discussing aspects of assignments that you need help with. You can email me the concerns/misunderstandings you have with the assignments or use Q & A to outline them there.

CLASSROOM CONDUCT

Technological Distractions:

Please refrain from any unauthorized usages of technology during class. "Unauthorized" means unrelated to the tangible learning activities taking place during the class. Egregious and/or repeat offenders may be considered disruptive and asked to leave the class.

Ground Rules for Productive Learning Environment & Classroom Conduct:

- Arrive to class on time and prepared with the assigned work.
- Stay for the duration of the class until the instructor dismisses you. If you need to arrive late or leave early, notify the instructor in advance.
- Be respectful of other classmates' opinions. Use an appropriate tone when engaging in discussions, especially those about controversial issues.
- Avoid disruptive behavior (phones, small groups chats, class passes, sleeping, etc)
- Follow assignment guidelines and submit work on time. If you miss a class, you should still submit the work
 o its due date. If you have questions about an assignment or are unable to submit the work on time, contact
 the instructor in advance.
- Contact two or three classmates to ask what work you missed when you are absent. If they are unsure, then you should reach out to the instructor.

Note on Diversity:

It's an ethnically rich and diverse, multi-cultural world in which we live. Use no language that is—or that could be construed to be—offensive toward others. Racists, sexist, and heterosexist comments and jokes are unacceptable, as are derogatory and/or sarcastic comments and jokes directed at religious beliefs, disabilities, and age. We all come with different perspectives, so please be respectful and resist the urge to tell anyone they are wrong. In other words, it is okay to disagree, just make sure to acknowledge their right to have their own perspective. Understand that your peers might have different life experiences and all of our world views are simply different.

ATTENDANCE

While I expect all students to attend all meetings regularly. Your grade in this course will be calculated based on your active attendance and participation.

ANNOUNCEMENTS IN CANVAS

I will actively use announcements feature in Canvas for our weekly calendar, all updates, and important information. For a tutorial on making sure that you receive announcements, <u>click here</u> and see "Announcements" chapter linked in the menu on the right.

SUBMITTING ASSIGNMENTS/DRAFTS

To be counted as a completed assignment, your drafts for peer review have to be submitted in the appropriate drop box in Assignments in Canvas and be in **Microsoft Word or PDF**. Canvas does not recognize other formats. There is a <u>free copy of Microsoft Office</u> for all UT-Tyler students. If I cannot open your work, it is late. Please do not zip your files.

Grade Replacement/Forgiveness and Census Date Policies

Students repeating a course for grade forgiveness (grade replacement) must file a Grade Replacement Contract with the Enrollment Services Center (ADM 230) on or before the Census Date of the semester in which the course will be repeated. Grade Replacement Contracts are available in the Enrollment Services Center or at http://www.uttyler.edu/registrar. Each semester's Census Date can be found on the Contract itself, on the Academic Calendar, or in the information pamphlets published each semester by the Office of the Registrar.

Failure to file a Grade Replacement Contract will result in both the original and repeated grade being used to calculate your overall grade point average. Undergraduates are eligible to exercise grade replacement for only three course repeats during their career at UT Tyler; graduates are eligible for two grade replacements. Full policy details are printed on each Grade Replacement Contract.

The Census Date is the deadline for many forms and enrollment actions that students need to be aware of. These include:

- Submitting Grade Replacement Contracts, Transient Forms, requests to withhold directory information, approvals for taking courses as Audit, Pass/Fail or Credit/No Credit.
- Receiving 100% refunds for partial withdrawals. (There is no refund for these after the Census Date)
- Scheduling adjustments (section changes, adding a new class, dropping without a "W" grade)
- Being reinstated or re-enrolled in classes after being dropped for non-payment
- Completing the process for tuition exemptions or waivers through Financial Aid

State-Mandated Course Drop Policy.

Texas law prohibits a student who began college for the first time in Fall 2007 or thereafter from dropping more than six courses during their entire undergraduate career. This includes courses dropped at another 2-year or 4-year Texas public college or university. For purposes of this rule, a dropped course is any course that is dropped after the census date (See Academic Calendar for the specific date).

Exceptions to the 6-drop rule may be found in the catalog. Petitions for exemptions must be submitted to the Enrollment Services Center and must be accompanied by documentation of the extenuating circumstance. Please contact the Enrollment Services Center if you have any questions.

Student Accessibility and Resources.

In accordance with Section 504 of the Rehabilitation Act, Americans with Disabilities Act (ADA) and the ADA Amendments Act (ADAAA) the University offers accommodations to students with learning, physical and/or psychiatric disabilities. If you have a disability, including non-visible disabilities such as chronic diseases, learning disabilities, head injury, PTSD or ADHD, or you have a history of modifications or accommodations in a previous educational environment you are encouraged to contact the Student Accessibility and Resources (SAR) office and schedule an interview with the Accessibility Case Manager/ADA Coordinator, Cynthia Lowery Staples. If you are unsure if the above criteria applies to you, but have questions or concerns please contact the SAR office. For more information or to set up an appointment please visit the SAR office located in the University Center, Room 3150 or call 903.566.7079. You may also send an email to cstaples@uttyler.edu

Student Absence for University-Sponsored Events and Activities.

If you intend to be absent for a university-sponsored event or activity, you (or the event sponsor) must notify the instructor at least two weeks prior to the date of the planned absence. At that time the instructor will set a date and time when make-up assignments will be completed.

It is the policy of The University of Texas at Tyler to protect the confidential nature of social security numbers. The University has changed its computer programming so that all students have an identification number.
