Commencement Notes

The gowns, caps and hoods worn at university functions date back to the oldest universities in the Middle Ages. Monks and students wore them to keep warm in the damp and drafty twelfth century halls of learning. This traditional academic dress has been gradually revised to the modern form you see today.

All gowns have a semi-stiff yoke, long pleated front, and intricate shirring across the shoulders and back. The bachelor's gown is worn closed and has long pointed sleeves. The master's gown may be worn either open or closed and has long square sleeves closed at the end, the forearm coming through a slit near the elbow. The doctor's gown may also be worn either open or closed but is distinguished by broad velvet panels down the front and by three velvet bars on the full bell-shaped sleeves. This velvet trimming may be either black or the color distinctive of the field of learning.

The black cap and tassel are worn by holders of all three degrees; however, the doctor's cap may be of velvet and the tassel of gold.

The hood (usually not worn by holders of the bachelor's degree) is a small black shell, silk lined in the color or colors of the institution conferring the degree. The velvet border of the hood is of the color signifying the field of learning in which the degree was earned.

Colors signifying various fields of learning are as follows:

Arts, Letters, Humanities.....	White
Commerce, Business	Drab
Economics	Copper
Education.....	Light Blue
Engineering.....	Orange
Fine Arts	Brown
Journalism	Crimson
Law.....	Purple
Library Science.....	Lemon Yellow
Medicine.....	Green
Music	Pink
Oratory (Speech).....	Silver Gray
Pharmacy	Olive Green
Philosophy	Dark Blue
Physical Education	Sage Green
Public Administration	Peacock Blue
Science.....	Golden Yellow
Social Science	Citron Yellow
Theology	Scarlet

The colleges and universities represented by colors lining the hoods worn by our faculty are too numerous to be listed here; however, please feel free to ask individual faculty members which institutions their colors represent.

The Star Spangled Banner

by Francis Scott Key

Oh, say can you see by the dawn's early light
What so proudly we hailed at the twilight's last gleaming?
Whose broad stripes and bright stars through the perilous fight,
O'er the ramparts we watched were so gallantly streaming?
And the rocket's red glare, the bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh, say does that star-spangled banner yet wave
O'er the land of the free and the home of the brave?

ALMA MATER

Tom G. Turns

Oh the East Texas eyes are smil—ing o'er the U. T. Tyl—er
lakes. And the whispering breeze is a mem—o—ry we will not for-
sake. Tho we tra—vel life's long high-ways, o—ver lands both near and
far, we'll ne'er for—get you Al—ma Ma—ter no mat-ter where we
are. We'll ne'er for—get you Al—ma Ma—ter no mat-ter where we are.

The image shows a musical score for the song 'Alma Mater' by Tom G. Turns. It consists of five staves of music in 4/4 time, with a key signature of one flat (B-flat). The lyrics are written below the notes. The melody is simple and nostalgic, with a final double bar line at the end of the fifth staff.
